Would you love to be able to communicate with your Spirit Guides? Would you love to develop your psychic gifts? Then look no further. This book offers practical, expansive, and simple advice on how to communicate with your Spirit Guides. It teaches you to give detailed and accurate psychic readings using the blind scenarios method. This book offers two things: First, in 20 short pages, it teaches you a method to connect with Spirit Guides. Second, it offers a workbook with fifty blind scenarios that allow you to practice developing your spiritual gifts at your own pace. This method is tried and true and boasts a 100% success rate with repetitive practice. It is a unique method developed in collaboration with my developing partners and our Spirit Guide team. Spirit Guides everywhere approve of this method. This book does not teach philosophy or tell you what you must believe in to succeed. Whatever your spiritual beliefs are, can work for you. You don't need to meditate or become an enlightened human being overnight to do this work. This method teaches you a straight forward way to connect and tune into your intuition so you can receive and deliver messages from your Spirit Guides and the Guides of others. This book will show you the door and offer you the key to unlocking your gifts. What you do with it is up to you. My desire is to share with everyone how they too can be psychic. It is within us all. What will you awaken today? Your Guides would like to speak with you. In Spirit, Tasha.
