

# Back-to-Back Drawing Communication Activity

This activity is designed to challenge participants to communicate effectively and creatively. The goal of this exercise is to improve communication skills while having fun.

## Exercise Instructions

**Allow 10-15 minutes for this stage of the activity....**

**1**

Divide the group into pairs and have them sit facing away from each other.

**2**

Provide one member of the pair (the "listener") with a blank piece of paper and a pencil, and the other member (the "speaker") with an image from pages 2-5

**3**

The speaker should verbally describe the image as accurately as possible, while the listener tries to draw the image on their blank paper, without any communication between the two.

**4**

After the exercise, both the speaker and the listener answer their respective discussion questions on page 6.

**5**

Speaker and listener share and discuss their responses. Together, explore takeaways from the experience.
