Essentials of Community Corrections Robert D. Hanser, 2018-01-03 *Essentials of Community Corrections* offers students a concise and practical perspective on community corrections while emphasizing successful offender reentry through strong community partnerships. Author Robert D. Hanser draws on his expertise with offender treatment planning, special needs populations, and the comparative criminal justice fields to present a complete introduction to community corrections today. A variety of practical pedagogical tools offer students insights into the daily lives of those working in the field, encouraging students to start thinking like practitioners. Key Features: What Would You Do assignments give students the chance to apply what they have learned by analyzing real world scenarios to determine the best course of action for common challenges in community supervision. Applied Theory inserts throughout the book provide a focused application of a specific theory to particular issues in community corrections. Cross National Perspective boxes demonstrate common themes in community corrections around the world as well as different approaches used in other countries. Applied Exercises encourage students to reflect on their understanding of each chapter's content and to demonstrate their competence in using the information, techniques, and processes that they have learned. Food for Thought features at the end of each chapter guide students through a recent research study related to community corrections and include follow-up questions to help students think critically. Sharing Your Opinion questions at the end of each chapter empower students to express their own views on the issues covered in the text. The free open access Student Study site features carefully selected video links, access to SAGE journal articles, and more. Instructors: [Community-based Corrections](#) Paul F. Cromwell, Rolando V. Del Carmen, 1999 This book focuses on all forms of corrections and correctional facilities outside of jails and prisons, from traditional incarceration programs to the most current programs such as electronic monitoring, house arrest, day treatment, bootcamp, and fines. A traditional and balanced approach, this new edition reflects a stronger emphasis on the legal matters related to alternative corrections. [The LAST Virtual Volunteering Guidebook](#) Jayne Cravens, Susan J. Ellis, 2014-01-15 What is virtual volunteering? It's work done by volunteers online via computers, smartphones, or other hand-held devices and often from afar. More and more organizations around the world are engaging people who want to contribute their skills via the Internet. The service may be done virtually, but the volunteers are real. In *The LAST Virtual Volunteering Guidebook*, international volunteerism consultants Jayne Cravens and Susan J. Ellis emphasize that online service should be integrated into an organization's overall strategy for involving volunteers. They maintain that the basic principles of volunteer management should apply equally to volunteers working online or onsite. Whether you're tech-savvy or still a newbie in cyberspace, this book will show you how to lead online volunteers successfully by overcoming resistance to online volunteer service and the myths surrounding it. Designing virtual volunteering assignments from micro volunteering to long-term projects from Web research to working directly with clients via the Internet. Adding a virtual component to any volunteer's service. Interviewing

and screening online volunteers Managing risk and protecting confidentiality in online interactions Creating online communities for volunteers Offering orientation and training via Internet tools Recruiting new volunteers successfully through the Web and social media and Assuring accessibility and diversity among online volunteers Cravens and Ellis fervently believe that future volunteer management practitioners will automatically incorporate online service into community engagement making this book the last virtual volunteering guidebook that anyone has to write **Fulfilling the Letter and Spirit of the Law** United States Commission on Civil Rights,1976 *Municipal Law Service Letter* ,1961
