Dona Flor Spanish Edition:

Dona Flor (Spanish) Pat Mora, 2005-10-01 Dona Flor is a giant woman who lives in a pueblo with lots of families. She loves her neighbors; she lets the children use her flowers for trumpets and the families use her leftover tortillas for rafts. So when a huge puma is terrifying the village, of course Flor is the one to investigate. Featuring Spanish words and phrases throughout as well as a glossary, Pat Mora's story along with Raul Colon's glorious artwork makes this a treat for any reader, tall or small. Award-winning author Pat Mora's previous book with Raul Colon, *Tomas and the Library Lady*, received the Tomas River a Mexican American Children's Book Award, an IRA Teacher's Choice Award, a Skipping Stones Award, and was also named a Texas Bluebonnet Award Master List title and an Americas Award for Children's and Young Adult Literature commended title. She lives in Santa Fe, New Mexico. From the Hardcover edition.

Dream Wakers Ruth Culham, 2023-10-10 There is power that resides in outstanding culturally diverse literature: a power that has the potential to engage students in reading and teach them about the art and craft of writing. In *Dream Wakers*, Mentor Texts That Celebrate Latino Culture, Ruth Culham focuses her love of children's literature and her decades of work developing the traits of writing into books that celebrate Latino life and culture. She provides a wide variety of ideas to teach writing using some of the richest and most beautiful children's books available. *Dream Wakers* gives you an annotated list of more than 120 books with do-it-yourself lesson ideas for teaching the traits of writing: ideas, organization, voice, word choice, sentence fluency, and conventions. More than half of the books listed are bilingual or offer English and/or Spanish editions. Eleven original insightful essays by renowned children's authors of some of the featured books. A handy reference chart that helps teachers locate books quickly by trait, genre, language, and author/publisher information. Ruth encourages all of us to make sure students of all backgrounds have access to high-quality culturally diverse texts and recognize the difference those texts will make in their reading lives as well as in their perception of themselves as thinkers, learners, and citizens.

The Woman in Latin American and Spanish Literature Eva Paulino Bueno, María Claudia André, 2014-01-10 Noted scholars of Latin American and Spanish literature here explore the literary history of Latin America through the representation of iconic female characters. Focusing both on canonical novels and on works virtually unknown outside their original countries, the essays discuss the important ways in which these characters represent nature, history, race, and sex; the effects of globalization and the unknowable other. They examine how both male and female writers portray Latin American women, reinterpreting the dynamics between the genders across boundaries and historical periods. Drawing on recent theories in literary criticism, gender, and Latin American studies, these essays illuminate the women characters as conduits for the appreciation of their countries and cultures.
