Dongri To Dubai:

Dongri to Dubai - Six Decades of the Mumbai Mafia Hussain Zaidi, 2012-08-10 Dongri to Dubai is the first ever attempt to chronicle the history of the Mumbai mafia. It is the story of notorious gangsters like Haji Mastan, Karim Lala, Varadarajan Mudaliar, Chhota Rajan, Abu Salem, but above all, it is the story of a young man who went astray despite having a father in the police force. Dawood Ibrahim was initiated into crime as a pawn in the hands of the Mumbai police and went on to wipe out the competition and eventually became the Mumbai police's own nemesis. The narrative encompasses several milestones in the history of crime in India: from the rise of the Pathans, formation of the Dawood gang, the first ever supari mafia's nefarious role in Bollywood, Dawood's move to Karachi and Pakistan's subsequent alleged role in sheltering one of the most wanted persons in the world. This story is primarily about how a boy from Dongri became a don in Dubai and captures his bravado, cunningness, focus, ambition, and lust for power in a gripping narrative. The meticulously researched book provides an in-depth and comprehensive account of the mafia's games of supremacy and internecine warfare. *The Future of Counterinsurgency* Lawrence E. Cline, Paul Shemella, 2015-08-11 This thought-provoking work analyzes the major debates surrounding counterinsurgency campaigns and uncovers the internal security problems derailing effective strategies for restoring stability. As countries across the globe continue to adjust their security operations to counter an increasingly volatile political landscape, the issue of how to identify and derail a host of violent groups remains of considerable interest. This comprehensive volume offers an examination of the effectiveness of contemporary counterinsurgency efforts, revealing which approaches offer the greatest chances of success internally, regionally, and internationally. Featuring perspectives from experts and analysts in the field of irregular warfare and international security, this is an unparalleled exploration of all types of insurgency, from warlordism to piracy to guerilla movements. The book looks beyond the popular focus on Iraq and Afghanistan, delving into the internal security operations of regions not normally studied. Chapters cover goal setting and measurements for restoring security, information operations, and strategic communications between insurgent groups and governments, and the different approaches of governments in combating political unrest. Case studies include movements in Sierra Leone, Sri Lanka, Egypt, and South Africa. **Dawood's Mentor** Hussain Zaidi, 2019-04-15 Tired of being bullied, a scrawny, impoverished Dawood Ibrahim is looking for a saviour, Khalid Khan Bachcha, who would teach him the ropes of handling a bunch of hooligans. Instead, what he gets is a mentor who eventually transforms him into a cunning mafia boss. In *Dawood's Mentor*, Dawood meets Khalid, and they eventually forge an unlikely friendship. Together, they defeat, crush, and neutralize every mafia gang in Mumbai. Khalid lays the foundation for the D-Gang, as Dawood goes on to establish a crime syndicate like no other and becomes India's most wanted criminal. *Criminality and Power in the Postcolonial City* Maria Ridda, 2022-11-21 This book investigates the literary imaginings of the postcolonial city through the lens of crime in texts set in Naples and Mumbai from the 1990s to the present. Employing the analogy of a black hole, it posits the discourse on

criminality as a way to investigate the contemporary spatial manifestations of coloniality and global capitalist urbanity Despite their different histories Mumbai and Naples have remarkable similarities Both are port cities gateways to their countries and regional trade networks and both are marked by extreme wealth and poverty They are also the sites and symbolic battlegrounds for a wider struggle in which the North exploits the South and the South fights back As one of the characters of the novel The Neapolitan Book of the Dead puts it a narrativisation of the underworld allows for a discovery of a different city from its forgotten corners Crime provides a means to understand the relationship between space and society culture in a number of cities across the Global South by tracing a narrative of postcolonial urbanity that exposes the connections between exploitation and the ongoing coloniality of power Treading the Beaten Path Dr Fazal

Ghafoor,2021-04-21 Treading the Beaten Path is a rereading of history through the review and critical analysis of fifty books It is an in depth analysis of major events that shaped the history of contemporary India Amongst authors are B R Ambedkar Rajdeep Sardesai Jai Ram Ramesh Ramachandra Guha Kuldip Nayyar Zoya Hassan and a host of others Major epochs in history like the Mughal period Partition of India the Emergency Operation Blue Star etc are included The biographies of Sheik Abdulla Feroze Gandhi and critical studies on S C Bose Nehru and Gandhi form a part Epochs of history include the partition of Bengal and Andhra Pradesh A look at the two part defense of Hinduism by Shashi Tharoor is a highlight An evaluation of the Communist Hindutva and Mandal movements is undertaken On a lighter vein the biographies of Mohamed Rafi Kishore Kumar and Sahir Ludhianvi are explored The reviews have a personal touch as the author has thought out of the box to add his opinion to many a contentious issue at hand In that sense it is not a review but a critical narrative with the book acting only as a template with the discussion many a time spilling beyond the confines of it **From Dubai to**
