scoop rich biography the tell all tales rush forth Los Angeles Times offering a penetrating analysis of the ongoing Republican civil war through the eyes of one of its last embattled centrists Publishers Weekly Few figures in American politics have seen more and said less than Mitt Romney An outspoken dissident in Donald Trump s GOP he has made headlines in recent years for standing alone against the forces he believes are poisoning the party he once led Romney was the first senator in history to vote to remove from office a president of his own party When that president s supporters went on to storm the US Capitol Romney delivered a thundering speech from the Senate floor accusing his fellow Republicans of stoking insurrection Despite these moments of public courage Romney has shared very little about what he s witnessed behind the scenes over his three decades in politics in GOP cloakrooms and caucus lunches in his private meetings with Donald Trump and his family in his dealings with John McCain George W Bush Barack Obama Joe Biden Mitch McConnell Joe Manchin and Kyrsten Sinema Now Romney provides a window to his most private thoughts Based on dozens of interviews with Romney his family and his inner circle as well as hundreds of pages of his personal journals and private emails this in depth portrait by award winning journalist McKay Coppins shows a public servant authentically wrestling with the choices he has made over his career In lively revelatory detail the book traces Romney s early life and rise through the ranks of a fast transforming Republican Party and exposes how a trail of seemingly small compromises by political leaders has led to a crisis in democracy A rare feat in modern day political reporting The New Yorker Romney A Reckoning is a redemptive story about a complex politician who summoned his moral courage just as fear and divisiveness were overtaking American life

Obama in the ratings and he was ready to take on the reelection game However he soon becomes distracted by issues both at home and abroad With that being said though his secret and successful plan to take down Osama bin Laden was considered an amazing accomplishment and achievement **Standard and Poors 500 Guide 2013** Standard & Poor's,2012-12-21 The most up to date and accurate market intelligence for superior investment decisions from the world s premier financial index Standard Poor s 500 Guide 2013 Edition contains hard to find data and analysis on the bluest of blue chip stocks from Abbot Labs and GE to Microsoft and Yahoo Comprehensive and fully updated information from year to year stock values to overall company performance make this the only resource you need to optimize your investment performance Standard Poor s provides the respected Standard Poor s ratings and stock rankings advisory services data guides and several closely watched and widely reported gauges of stock market activity **Game Change CD** John Heilemann,Mark Halperin,2010-02-23 This shit would be really interesting if we weren t in the middle of it Barack Obama September 2008 In 2008 the presidential election became blockbuster entertainment Everyone was watching as the race for the White House unfolded like something from the realm of fiction The meteoric rise and historic triumph of Barack Obama The shocking fall of the House of Clinton and the improbable resurrection of Hillary as Obama s partner and America s face to the world The mercurial performance of John McCain and the mesmerizing emergence of Sarah Palin Based on hundreds of interviews with the people who lived the story Game Change is a reportorial tour de force that reads like a fast paced novel Character driven and dialogue rich replete with extravagantly detailed scenes this is the occasionally shocking often hilarious ultimately definitive account of the campaign of a lifetime Race of a Lifetime John Heilemann,Mark Halperin,2010 Race of a Lifetime How Obama Won the White Houseis Published in the USA asGame Change Obama and the Clintons McCain and Palin and the Race of a Lifetime The American presidential election of 2008 was as riveting a spectacle as modern politics has ever produced The meteoric rise and historic triumph of Barack Obama The shocking fall of the House of Clinton and the improbable resurrection of Hillary as Obama s partner and America s face to the world The mercurial at times erratic performance of John McCain The mesmerizing and bewildering emergence of Sarah Palin In 2008 the battle for the White House became blockbuster entertainment Everyone was watching But despite the wall to wall media coverage remarkably little of the real story behind the headlines has yet been told Race of a Lifetime pulls back the curtain on the Obama Clinton McCain and Palin campaigns How did Obama convince himself that against enormous odds he should be and could be the nation s first African American president How did the tumultuous relationship between the Clintons shape and warp Hillary s supposedly unstoppable bid to return to 1600 Pennsylvania Avenue What drove her husband s loss of composure and devastating political miscalculations Why did McCain put the unknown untested governor of Alaska on the Republican ticket And was Palin merely as out of her depth as she appeared or troubled in more unsettling ways Based on hundreds of interviews with the people who lived the story and packed full of exclusive revelations Race of a Lifetime answers those questions and more Vivid and novelistic fast
