Schools are rated according to Barron's well known competitiveness scale from Noncompetitive to Most Competitive. Unlike some other publications, Barron's refrains from the unreliable practice of ranking colleges on a first through last basis. The book's tinted pages section presents a quick reference Index of College Majors that lists all available major study programs at each school. Also profiled are many excellent colleges in Canada and several other countries, as well as brief profiles of religious colleges and American colleges based in foreign countries.
