Dr Mukti And Other Tales Of Woe

Sebastian Brünink

Dr Mukti And Other Tales Of Woe:

Dr Mukti and Other Tales of Woe Will Self, 2013-10-03 Shiva Mukti is a hardworking and conscientious psychiatrist who in the inauspicious surroundings of St Mungo's a central London hospital of more than average decrepitude does his level best to staunch the flow of mental illness But Mukti is not a happy man beset by thwarted ambition and sexual frustration he now finds himself in thrall to the more successful and urbane Dr Zack Busner consultant psychiatrist at Heath Hospital and an originator of the once modish Quantity Theory of Insanity Why is it that Busner seems so intent on fostering a professional relationship with Mukti Is it his way of putting his junior colleague in his place Or is Busner as Mukti begins to suspect a member of a sinister cabal And what about the schizophrenic patients Busner refers to Mukti for his opinion are they merely sick people or in fact human weapons in a bizarre psychological duel

Understanding Will Self M. Hunter Hayes, 2007 *Understanding Will Self* introduces readers to the satire and expressive ingenuity of a British writer who has garnered an array of awards since the 1991 publication of his first short story collection *The Quantity Theory of Sanity* In this guide to the well received but largely unstudied writer M Hunter Hayes examines the key themes narrative strategies and cultural commentaries that characterize Self's work Through close textual analyses Hayes guides readers through the alternative universe of Self's writing and maps the interplay between his forays into journalism and fiction Marked by their combination of seemingly improbable events and quotidian details Self's novels novellas and short stories examine contemporary English life through a mode of writing that he has aptly termed dirty magical realism Hayes shows how recurring characters have evolved through successive works and in relation with their environments
