The Holy Spirit Movement in Korea Young-Hoon Lee, 2009 This book traces the historical and theological development of the Holy Spirit in Korea through six successive periods **Theology of Hope** Sang Yun Lee, 2018-08-01 This book digs deep into Yonggi Cho s teaching of the Threefold Blessing salvation financial prosperity and healing expressing the biblical concept of hope in the Korean Pentecostal context Ironically hope always begins situations where it is lacking The Threefold Blessing was the most urgent and eager hope in the desperate socio economical and political situation following

the Korean War Cho's theology successfully contextualized became deeply lodged in the Korean Pentecostals' lives which resulted in the growth of strong churches in Korea. But the context has now changed in part due to the gospel's successful penetration of Korean culture and the Threefold Blessing must be reinterpreted and theologically recontextualized. The original Threefold Blessing emphasized the wellbeing of the individual person. The new Threefold Blessing must expand its theological perspectives to include social and ecological matters. This book suggests ways for its recontextualization for present and future of Korean Pentecostals.

God Will Do It for You Joe T.A. Nwokoye, 2015-11-19 The book is about a black young man who left Africa for UK without knowing where he was going and arrived and settled in a white country. Everything in this planet earth is subject to change. Only the Creator of the universe cannot change. It's a matter of learning how to overcome life's obstacles and not giving up on dreams. If things seem to go awry, God will provide the resources and he never fails. This book will lift you up if you are down and point you to the right road if you feel lost in this world. Even if you are knocked down, you are not knocked out. The impossible becomes possible. The storms of life will come and they will pass.
