land a lost generation of sea serpents ancient half starved and weary returned to cocoon certain that they would be reborn as the beautiful and powerful dragons of legend But their arduous journey exacted a heavy toll and the proud serpents emerged as sickly half formed beasts unable to fly or hunt or thrive For years now they have been trapped on a swampy riverbank between forest and river hungry and barely alive reliant on humans to provide for them With their survival at stake fifteen dragons among them the wise golden Mercor the haughty and dazzling silver blue gueen Sintara and the delicate copper beauty Relpda have set off on a dangerous trek into the unknown up the Rain Wild River in hopes of rediscovering the ancient Elderling city of Kelsingra the lost haven for dragons and Elderlings alike The dragons are accompanied by a disparate group of human keepers rejects from Rain Wild society They too yearn to find Kelsingra and create a home of their own one in which they may make their own rules and decide their own fate But is Kelsingra real or merely a fragment of a glorified past buried deep in the dragons shared memories No map exists to guide them and the noble creatures find their ancient recollections of little use in a land changed by generations of flooding and seismic chaos As the dragons the humans including the strong and defiant Rain Wild girl Thymara the wealthy dragon scholar and Trader's wife Alise and her companion the urbane Sedric and their magical supply barge captained by the gruff Leftrin forge their way ever deeper into uncharted wilderness human and beast alike discover they are changing in mysterious and dangerous ways While the bonds between them solidify starvation flashfloods and predators will imperil them all But dragons and humans soon learn that the most savage threats come from within their own company and not all of them may survive Returning to the territory of her beloved Liveship Traders and Tawny Man trilogies New York Times bestselling author Robin Hobb creates a lush and ultimately triumphant tale set in an imaginative world of magic and wonder as compelling and emotionally resonant as our Blood of Dragons Robin Hobb, 2014 Dragon blood and scales dragon liver and eyes and teeth All required ingredients own for medicines with near miraculous healing powers The legendary blue dragon Tintaglia is dying of wounds inflicted by hunters sent by the Duke of Chalced who meanwhile preserves his dwindling life by consuming the blood of the dragon s poet Selden Vestrit If Tintaglia perishes her ancestral memories will die with her And the dragons in the ancient city of Kelsingra will lose the secret knowledge they need to survive Their keepers immerse themselves in the dangerously addictive memory stone records of the city in the hope of recovering the Elderling magic that once allowed humans and dragons to co exist In doing so they risk losing their own identities even their lives And danger threatens from beyond the city too For war is coming war between dragonkind and those who would destroy them The Dragon Keeper Robin Hobb, Saskia Butler, 2009 FANTASY Return to the world of the Liveships Traders and journey along the Rain Wild River in this standalone adventure from the author of the internationally acclaimed Farseer trilogy Guided by the great blue dragon Tintaglia they came from the sea a Tangle of serpents fighting their way up the Rain Wilds River the first to make the perilous journey to the cocooning grounds in generations Many have died along the way With its acid waters and impenetrable forest it is a hard
