Everybody wants to get on the train as soon as it arrives so they re scrambling to buy a ticket as soon as possible Technology finance politics and the social and economic margins of the digital world have not ceased to deliver surprising packages that provide value and novelty as well as the promise of a future utopian society The term cryptocurrency is no longer a mysterious esoteric term A decentralized autonomous financial system is quickly becoming the norm in almost every part of the world because of the widespread adoption of the idea of a decentralized autonomous financial system The number of active cryptocurrency transactions and users has grown exponentially over the past few years and the year 2021 22 was chosen as a significant part of this analysis Bitcoin s introduction in 2009 has sparked a slew of negative headlines about crypto ranging from heavy criticism of its working principle to random government jabs to knock it off its feet and out of the global economy to massive crypto meltdowns Although it has stood the test of time it continues to grow and now even children are familiar with the term cryptocurrency Cryptocurrency is constantly evolving new ways to use its underlying technology the blockchain originally designed for crypto trading Still the innovation of NFTs has changed all of that All these talks about NFTs have you scratching your head and wondering what all the fuss is all about Astonishing sums of money are being paid for these NFTs in the six figures and even the eight figure range This is not a fairy tale my dear friends I m confident that after reading this e book the scales will fall from your eyes and you will begin to see all the crazy good opportunities that are just out there in the digital world waiting for you to make a move **National Painters Magazine**

,1915 *Believe* Mia Jas,2023-02-09 Believe is a story of inspiration and faith This positive and uplifting novel depicts the journey of a young woman from adolescence to adulthood as she struggles to find herself and her purpose in life Throughout her evolution Kayla meets a young man finds romance and learns to trust and love Kayla is overcome with grief from losing her mother at a very young age and she is forced to live in a residential facility for young women because her grandmother is not healthy enough to have custody of her Although Kayla feels alone and afraid at times she finds the courage and strength to face obstacles in her life with the help and support of her best friend Kayla extremely misses her mother and feels responsible for taking care of her elderly grandmother whom she loves so much Kayla realizes that she has someone she can trust at the residential facility when she develops a close bond with the house manager A teacher at KaylaaEUR tm s school will mentor her as she discovers a talent that will change her life forever She learns to believe Cover design created by Melissa Franklin **The Painters Magazine and Paint and Wall Paper Dealer** ,1915 Grandma and Art got me off the Farm Ethel Christensen,2006-03-19 Abandoned by her father and rejected by her mother 4 year old Jennie is taken without explanation from her kindergarten class and driven through the night to live with her grandparents They live on a farm where gophers pop out of the ground turkey gobblers give chase the bathroom is in a little house near the woods and

which is austere and culturally limited Almost from the beginning she tries to run away back to live with her mother in Minneapolis But her grandparents although undemonstrative steadfastly support her Grandpa helps her with her homework at night sitting around the kitchen table lit by a kerosene lamp she sits on his lap while riding the binder and curls up with him on the sofa at nap time She helps her Grandmother with the chickens picking eggs and feeding the pigs But conflicts arise Especially with her aunt Hilda who is spiteful and humiliating Jennie wants to run away and find her father in Canada but all her attempts fail As far back as in kindergarten Jennie liked to draw So in first grade when she was asked to draw the picture placed on the blackboard in front of the class she worked hard to copy the exact likeness The picture was The Last Supper After that she became known as the class artist Hilda felt Jennie was wasting her time drawing and discouraged her Reading another of Jennie s interests was also considered wasteful All through high school Jennie continued to be the school artist During this time she became attached to Frank a future farmer with a kind uncomplicated view of life He loved her but knew her dream was to leave the farm and go to study art After graduating from high school Jennie is offered a job in Washington D C Her grandmother slips her thirty dollars and urges her to leave at once before Aunt Hilda can interfere Her new life in the city is a shock and a revelation Jennie discovers art galleries takes her first real art lesson using pastels and begins to acquire a new set of goals and values Two years later she returns to Minneapolis and enrolls at the University of Minnesota in art Life is a struggle as she has to work to support herself and pay for her education While working at one of the her jobs she meets Jim a young psychology student who is using the G I Bill to attend university Soon they marry unknown to either Jennies mother or her aunt Hilda Jim is very supportive of Jennie s interest in art Between leaving the farm and starting university a series of tragedies occurred Her grandparents died first her grandfather then her grandmother Earlier a favorite uncle shot himself Another uncle died under questionable circumstances and her mother becomes committed to a mental hospital while her father remained a mystery in spite of efforts to locate him After graduating from university she paints and exhibits her work exploring new directions of expression It is not easy to find success When galleries are either hanging her work upside down or failing to pay her they disappear from sight Her first real success comes from entering a painting in an exhibition in New York Titled Subjective Objective the painting and received first prize From then on Jennie s goal to become an accomplished artist plays an important part in her life Still she couldn t forget the farm where her uncle now lives One day she decided to go back to the place she d grown up and had wanted to escape Seeing the faded wallpaper on the upstairs hall the stippled paint walls the empty bookcase Jennie becomes aware she has slowly moved from the austere and culturally limited setting of the farm to a new world one of painting art and intellectual interactions She d left the farm and could not return Back in Toronto Jennie walked into their condo past th **The**
