Rotterdam Bibliotheek van de Koninklijke Vereniging voor het Boekenvak /1Amsterdam aut,1912 **Modelling for Financial Decisions** Jaap Spronk,Benedetto Matarazzo,2012-12-06 This book is mainly focused on the development of tools for decision makers in finance ranging from treasurers of firms to professional investors and bank managers It presents a broad variety of applications using techniques and methodologies from various fields such as econometrics operations research and financial mathematics The tools for decision making have been modified towards financial decision support systems The role of the decision maker has become dominant both in the development and in the use of the decision support systems The developments in both the computer hardware and software for computers simplify the design of individualized decision support systems Financial modelling functions as a liason between theoretical financial expertise and practice

Improving Decision Making in Organisations Alan G. Lockett,Gerd Islei,2012-12-06 McrM has been an active research area for over 20 years and the previous conferences clearly showed a tremendous growth of interest A variety of successful applications and recent developments of interactive computer software to support decision making confinn a sustained progress We therefore decided to make our theme Inlproving Decision Making in Organisations he aim was to take stock of the impact of multicriteria concepts in organisations and to involve management practitioners from a wide range of backgrounds To this end the conference was organised round five broad themes and papers were solicited on the following topics Psychology how do individuals in practice use and relate to the methodologies Organisation how do our models fit into the decision making framework of real organisations Application how have the models been used in practice and what is the users view Methodology what are the new areas in model development Related Areas is there complementary work eg Expert Systems which may be attempting to solve very similar problems he call for papers produced an overwhelming response of over 100 papers hey were from a variety of disciplines and applications and we decided to devote approximately one day to each of the five areas We are very impressed by the results which can be seen in this edited proceedings **Readings in**

Multiple Criteria Decision Aid Carlos A. Bana e Costa, 2012-12-06 Multiple Criteria Decision Aid is a field which has seen important developments in the last few years This is not only illustrated by the increasing number of papers and communications in the scientific journals and Congresses but also by the activities of several international working groups In 1983 a first Summer School was organised at Catania Sicily to promote multicriteria decision aid in companies and to encourage specialists to exchange didactic material The second School was held in 1985 at Narnur Belgium and I am pleased now to present the selected readings from the Third International Summer School on Multicriteria Decision Aid Methods Applications and Software which took place in Monte Estoril Portugal in 1988 was the quality of the contributions presented by the Such during the Summer School that I have decided to take lecturers advantage of this opportunity to produce a more carefully prepared and homogeneous book rather than a simple volume of proceedings All the initial versions of the selected papers were revised and some although not included in the programme of the School were written in order to give a more complete overview of the MCDA field Brinkman's catalogus van boeken en tijdschriften ,1882 With 1901 1910 1956 1960 Repertorium is bound Brinkman s Titel catalogus van de gedurende 1901 1910 1956 1960 Title varies slightly
