## **Dont Tell The Bridestobe English Edition:**

**The Bridgestones of Montana Boxed Set 1-3** Juliana Stone, Books 1 3 from USA Today bestselling author Juliana Stone **COVER ME UP** Coming home to Montana wasn't on country superstar Cal Bridgestone's agenda. But when his older brother is badly injured in an accident, he has no choice. With a family that's scattered, a young niece to look after, and an estranged father to deal with, he shouldn't be thinking about his old flame Millie Sue Jenkins. Seeing her stirs up all kinds of stuff. Their history is tricky, and starting up where they left off is probably not a good idea. So why can't he stay away? Millie Sue gave her heart to Cal when she was seventeen, and he still has it. She'd love to hate him for leaving Big Bend and breaking her spirit, but all she feels is want and need. Starting up with him isn't a good idea; he will hurt her. Because Cal Bridgestone outgrew Big Bend a long time ago and belongs in a world of celebrity music and superstardom. He will leave again. And this time, she's got to make sure her heart doesn't go with him. **PIECE OF ME** Scarlett Bridgestone doesn't need a man in her life. She's too busy raising a new baby on her own and starting her life over in Montana. But a chance encounter with the dangerously sexy Taz Pullman sparks something she thought was dead. He's got his own demons, but something about him pulls at her. She knows a dance with this devil might not be the best thing for her. But the dance just might be worth the risk. Taz Pullman is a busy man. A former champion bull rider, he's now raising his sister's twins on a ranch in Montana while running his business empire. He misses the life he had but enjoys the challenge of his situation. What he doesn't need is a woman to complicate things. Especially one with more baggage than the train station. But there's something about Scarlett Bridgestone he can't shake. He knows if they start something up, it will get messy. So why can't he stay away? **HARD RAIN COMING** Vivienne Bridgestone, the black sheep of the family, ran away from Montana at seventeen and didn't stop until she landed in Alaska. A family torn apart and a broken heart kept her away, but now the past has come back to haunt her, and only one man can fix what's broken. Will she finally surrender and let him? Dallas Henhawk, foreman of the Triple B, runs the ranch with the same steeliness that's in his veins. The kind that allowed his forefathers to survive in the wilderness when others didn't. He's never needed much, and when the only woman who managed to poke a hole in his heart reappears, he's not prepared. Suddenly, he wants more. He wants her to stay. Will their past allow it to happen? **The Bookshop Phantom** Keith Robinson, 2025-10-20 Ben, Emma, Nate, and Mia, four friends, determined to film the paranormal in the creepy town of Darkhill. They call themselves DARKSEEKERS. When a teenager is run down by a car outside his favorite bookshop, he finds himself floating on the sidewalk, confused and alone, looking down on his dead body. Luckily, the paramedics bring him back to life, and after a stint in the hospital, he returns to school after a couple of weeks. All seems perfectly normal again. So why does his ghost still haunt the bookshop? Written by the author of the Island of Fog series, **THE BOOKSHOP PHANTOM** is the seventh case for the intrepid investigators in this supernatural series. If you're a fan of Goosebumps, you'll love Darkhill Scary Stories.
