Dontologie Profession Davocat Bernard Beignier:

Defense in International Criminal Proceedings Michael Bohlander, Roman Boed, Richard Wilson, 2006-03-21 Without question international criminal law ICL has become a legal growth industry Regional supranational systems such as the European Union are beginning to prepare a genuine supranational criminal law that may supersede the national jurisdictions These efforts are still in their infancy but along with the creation of the prosecutorial framework and measures like e g the European Arrest Warrant EUROPOL or EUROJUST the defence lawyers are preparing themselves for the new challenge It is thus useful and necessary to cover these developments from the get go This collection of cases and materials attempts for the first time to provide a compendium of the most important legal texts relevant documents and cases as well as explanatory commentary on the law of defence in international criminal proceedings by scholars and practitioners who have a wealth of relevant experience in the field The book provides students in law school courses on international human rights law and ICL with the essential materials to understand the vital importance of an adequate defence in international criminal proceedings Further the text gives legal practitioners who may consider extending their field of practice to the international level a look at the diversity of the tasks they will encounter and prepare them for the legal culture shock inevitable at the international tribunals and courts This book is available for classroom adoption 95 copy for 10 or more copies Published under the Transnational Publishers imprint

pour se présenter face aux jurys de l'examen et répondre aux questions pièges qui font les délices de ces derniers. Les auteurs innovent aussi très sensiblement en comparant pour la première fois la déontologie des avocats celle des magistrats qu'ils étudient substantiellement notamment après la dramatique affaire dite d'Outreau. Ce faisant, ce livre concerne aussi les magistrats et ceux qui se préparent à l'école Nationale de la Magistrature dont l'enseignement fait désormais une place importante à la déontologie. Il intéressera enfin tous ceux qui impressionnés par la puissance et l'omniprésence de la Justice dans la vie quotidienne souhaitent savoir quelles règles éthiques doivent répondre ceux qui ils devront peut-être s'adresser demain. Ceux-ci lui offriront un exposé complet de ce qu'ils doivent savoir en la matière.
