We are
learning to
find half

This hands-on learning station is set up on a table covered with a white cloth featuring a pattern of red apples and strawberries. The station includes several components for teaching fractions, specifically focusing on finding half:

- LEGO Bricks:** A black tray holds various colored LEGO bricks (red, blue, green, pink, yellow) arranged in a grid. Below the tray, a blue 1x6 brick is placed on the tablecloth.
- Mathematical Diagrams:** Two light blue cards are placed on the table. The left card shows a visual equation: two small yellow LEGO bricks are followed by a red plus sign, then another two small yellow LEGO bricks, followed by a red equals sign, and finally a single blue 1x6 brick. The right card shows two identical groups of three yellow beads on a stick, each group placed next to a blue 1x6 brick.
- Counters:** Two small black bowls, each containing yellow beads, are placed on the table.
- Background Materials:** A yellow banner at the top displays the numbers 1 through 10. A pink sign with the text "We are learning to find half" is pinned to the table. To the right, a portion of a "number" chart is visible.
