Down And Dirty Colson Brothers Series Book English Edition:

Down and Dirty Reese Madison, 2015-05-27 Joe has spent the last nine years serving his country For the last three years his half brother has written to him about this bartender named Carly As he reads these letters she becomes more real in his head causing him to wonder if she is as perfect as she sounds Carly is perfectly happy serving drinks to rowdy bikers She respects the club but keeps them at arms length That is until Joe drops in and changes everything She discovers a new world of family love loss and betrayal that bind her to a club and a man who become the family she never imagined possible The Publishers' Trade List Annual ,1988 *Daunting Turns* Reese Madison, 2012-06-01 Turner Colson is one of the bigger Colson brothers He lives off the land bouncing from chapter to chapter as he is needed He is a mute by choice and demands privacy when possible which is why he prefers the solitude of the Colorado mountains if he is not working Georgia Pine is a very young and prominent lawyer who's career just took a nasty turn because of a lying client One bad day sent her to the clubhouse for a good drunk to drown her anger and disappointment Little does she know the biggest meanest man to walk the earth is slowly falling in love with her as he watches her across the bar

Wrangled Mess Reese Madison, 2015-10-30 Wrangler is part Cherokee and all Colson He moved from Santa Fe New Mexico to Apache Junction Arizona to get away from a needy ex wife and to get to know a family he is only recently discovered existed The MC known as Exiles welcomed him with open arms After prospecting for a year he is been a proud member of the club for about three years when he knocks on the door of the woman who will mess up his busy life Celeste Skye is a psychologist with her own satellite radio show which she runs from her house in the quiet little town called Gold Canyon Her fiancé is absent at best and up to no good She has no idea the man she called to rid her shed of a deadly rattlesnake will ultimately save her from much more The only thing Wrangler likes more than putting on a good reptile show is a good cookie Or cake Or pie If it is a dessert he is all over it Celeste opens her door and awakens his senses Not only is she beautiful with her voluptuous curves and long waves of caramel colored hair but she smells like cookies What is a man to do when he is confronted with two of his favorite things all rolled up into one gorgeous package Wrangle her in of course *Draked Up* Reese Madison, 2014-03-13 Drake Colson has seen more than his share in his short lived career Fighting off rebels to protect women and children in third world countries has taken its toll on an otherwise formidable man There are only so many times a person can witness unfathomable brutality inflicted upon innocent women and children before he cracks Drake cracked and went to the only family he knew could help His brothers and the MC his father started many years ago His mother's side of the family shut him out when he ripped up his college degree and picked up an AK 47 Sherry Moore has been working three jobs for two years trying to pull her life back together Twelve years ago she married a man she thought she knew only to find out he was exactly the opposite Now she spends every waking moment working to save enough money to see her two beautiful daughters In order to get her freedom from abuse and put an end to the torture her ex husband forced her children to watch she signed away her rights

and left San Diego for Phoenix Arizona She went a little too far and landed in the small town of Apache Junction where the infamous motorcycle club Exiles gave her a job in their bar Drake took one look at Sherry and knew he had to find his voice and his sanity again if he was to have any hope of getting to know this dark haired beauty better Sherry knows better than to let anyone get close not just for her heart s sake but also for the safety of her children Will a damaged ex mercenary with a bad disposition be enough to take down one of California s most disturbed millionaires Maybe not but once the club gets involved the scales tend to tip with the weight of Exiles

You Don't Know Zac Reese Madison,2017-06-23 Zac has had enough of women At least as far as trying to have relationships are concerned For five years he s waited for his favorite diner owner slash surfer girl to find a man worthy of her love For some reason she seems hell bent on flirting with him and ignoring every other man who even attempts to ask her out Felicity doesn t seem the type to play games so what is her game Why him Then Chris a crooked cop comes along and tries to bulldoze his way into her heart One date and he s got the idea she s all his Zac tries to keep his distance but then her roof starts caving in literally and well what s a guy to do when the woman he really wants is living under said roof Fix it of course That damn roof is just the beginning Felicity s life comes crashing down around her in more ways than one and in the end it s all Zac s fault That ll teach him to wait five years for the woman he loves

Wrangled Mess Reese Madison,2013-12-13 Wrangler is part Cherokee and all Colson He moved from Santa Fe New Mexico to Apache Junction Arizona to get away from a needy ex wife and to get to know a family he s only recently discovered existed The MC known as Exiles welcomed him with open arms After prospecting for a year he s been a proud member of the club for about three years when he knocks on the door of the woman who will mess up his busy life Celeste Skye is a psychologist with her own satellite radio show which she runs from her house in the quiet little town called Gold Canyon Her fiance is absent at best and up to no good She has no idea the man she called to rid her shed of a deadly rattlesnake will ultimately save her from much more The only thing Wrangler likes more than putting on a good reptile show is a good cookie Or cake Or pie If it s a dessert he s all over it Celeste opens her door and awakens his senses Not only is she beautiful with her voluptuous curves and long waves of caramel colored hair but she smells like cookies What s a man to do when he s confronted with two of his favorite things all rolled up into one gorgeous package Wrangle her in of course

The Ice King on My Hate Reese Madison,2014-11-22 As far as cops go Trooper Fletcher Colson is one of the best He looks after a community of about a hundred people all living off the grid about ninety miles north of Fairbanks Alaska The MC Exiles nicknamed him Troop while he was prospecting a few years ago Unfortunately he doesn t get to spend as much time with the club as he d like due to his mailing address and profession Then comes along a lost little brunette with a fake name and big sad eyes She s stranded on his mountain with nothing but the clothes on her back Evidently she didn t read up on the new law before trying to claim a homestead left to her by her birth mother A storm is rolling in and now they re stuck together for some seriously long winter months that will drag on slower than dirt and be darker than the deepest well more

than not When it s not dark and cold it s blinding white The last Frontier is not for the meek Jasmine Milford has had it up to here with the snow and with her Ice King of Hate The only good thing about this man is his K 9 partner Arrow and his knowledge of the area that saves lives all year round Otherwise he s full of as much hate as she is sadness When Jasmine s past catches up with her Trooper Colson is forced to ask his brothers and sisters of Exiles Arizona to help them out Sometimes it takes a rallying of the unseen kind to help brothers and sisters in need
