*Doctor Wortle's School* Anthony Trollope, 2018-03-08 *Doctor Wortle's School* alternatively *Dr Wortle's School* or *Dr Wortle's School* published in 1881 is a novel by Anthony Trollope his fortieth book The novel takes place in the respectable fictional parish of Bowick Victorian England with the main plot concerning itself with the renowned Dr Wortle's Christian seminary academy

**Doctor Wortle's School - Large Print** Anthony Trollope, 2020-10-17 The Rev Jeffrey Wortle D D was a man much esteemed by others and by himself He combined two professions in both of which he had been successful had been and continued to be at the time in which we speak of him I will introduce him to the reader in the present tense as Rector of Bowick and proprietor and head master of the school established in the village of that name The seminary at Bowick had for some time enjoyed a reputation under him not that he had ever himself used so new fangled and unpalatable a word in speaking of his school Bowick School had been established by himself as preparatory to Eton Dr Wortle had been elected to an assistant mastership at Eton early in life soon after he had become a Fellow of Exeter There he had worked successfully for ten years and had then retired to the living of Bowick On going there he had determined to occupy his leisure and if possible to make his fortune by taking a few boys into his house By dint of charging high prices and giving good food perhaps in part also by the quality of the education which he imparted his establishment had become popular and had outgrown the capacity of the parsonage He had been enabled to purchase a field or two close abutting on the glebe gardens and had there built convenient premises He now limited his number to thirty boys for each of which he charged 200 a year It was said of him by his friends that if he would only raise his price to 250 he might double the number and really make a fortune In answer to this he told his friends that he knew his own business best he declared that his charge was the only sum that was compatible both with regard to himself and honesty to his customers and asserted that the labours he endured were already quite heavy enough In fact he recommended all those who gave him advice to mind their own business It may be said of him that he knew his own so well as to justify him in repudiating counsel from others There are very different ideas of what a fortune may be supposed to consist It will not be necessary to give Dr Wortle's exact idea No doubt it changed with him increasing as his money increased But he was supposed to be a comfortable man He paid ready money and high prices He liked that people under him should thrive and he liked them to know that they thrived by his means He liked to be master and always was He was just and liked his justice to be recognised He was generous also and liked that too to be known He kept a carriage for his wife who had been the daughter of a poor clergyman at Windsor and was proud to see her as well dressed as the wife of any county squire But he was a domineering husband As his wife worshipped him and regarded him as a Jupiter on earth from whose nod there could be and should be no appeal but little harm came from this If a tyrant he was an affectionate tyrant His wife felt him to be so His servants his parish and his school all felt him to be so They obeyed him loved him and believed in him So upon the whole at the time with which we are dealing did the diocese the county and that

world of parents by whom the boys were sent to his school But this had not come about without some hard fighting He was over fifty years of age and had been Rector of Bowick for nearly twenty During that time there had been a succession of three bishops and he had quarrelled more or less with all of them It might be juster to say that they had all of them had more or less of occasion to find fault with him Now Dr Wortle or Mr Wortle as he should be called in reference to that period was a man who would bear censure from no human being *Dr Wortle's School* Anthony Trollope,1999-04-29 Mr Peacocke a Classical scholar has come to Broughtonshire with his beautiful American wife to live as a schoolmaster But when the blackmailing brother of her first husband a reprobate from Louisiana appears at the school gates a dreadful secret is revealed and the county is scandalized Ostracised by the community the pair seem trapped in a hopeless situation until the combative but warm hearted headmaster of the school Dr Wortle offers his support and Mr Peacocke embarks upon a journey to America that he hopes will lay to rest the accusations once and for all A perceptive exploration of Victorian morality Dr Wortle s School 1881 also contains echoes of Trollope s own life and his personal affection for the vivacious Bostonian Kate Field *Dr. Wortle's School* Anthony Trollope,2012-03-25 High quality reprint of Dr Wortle s School A Novel by Anthony Trollope *Dr. Wortle's School (Volume I)* Anthony Trollope,2019-05-20 This book is a result of an effort made by us towards making a contribution to the preservation and repair of original classic literature In an attempt to preserve improve and recreate the original content we have worked towards 1 Type setting Reformatting The complete work has been re designed via professional layout formatting and type setting tools to re create the same edition with rich typography graphics high quality images and table elements giving our readers the feel of holding a fresh and newly reprinted and or revised edition as opposed to other scanned printed Optical Character Recognition OCR reproductions 2 Correction of imperfections As the work was re created from the scratch therefore it was vetted to rectify certain conventional norms with regard to typographical mistakes hyphenations punctuations blurred images missing content pages and or other related subject matters upon our consideration Every attempt was made to rectify the imperfections related to omitted constructs in the original edition via other references However a few of such imperfections which could not be rectified due to intentional unintentional omission of content in the original edition were inherited and preserved from the original work to maintain the authenticity and construct relevant to the work We believe that this work holds historical cultural and or intellectual importance in the literary works community therefore despite the oddities we accounted the work for print as a part of our continuing effort towards preservation of literary work and our contribution towards the development of the society as a whole driven by our beliefs We are grateful to our readers for putting their faith in us and accepting our imperfections with regard to preservation of the historical content HAPPY READING *Dr. Wortle's School. A Novel* Anthony Trollope,1980 **Dr. Wortle's School** Anthony Trollope,1881 *Doctor Wortle's School* Anthony Trollope,2014-03-06 The Rev Jeffrey Wortle D D was a man much esteemed by others and by himself He combined two professions in both of which he had been

successful had been and continued to be at the time in which we speak of him I will introduce him to the reader in the present tense as Rector of Bowick and proprietor and head master of the school established in the village of that name The seminary at Bowick had for some time enjoyed a reputation under him not that he had ever himself used so new fangled and unpalatable a word in speaking of his school Bowick School had been established by himself as preparatory to Eton Dr Wortle had been elected to an assistant mastership at Eton early in life soon after he had become a Fellow of Exeter There he had worked successfully for ten years and had then retired to the living of Bowick **Dr. Wortle's School a Novel Complete** Anthony Trollope,2015-10-28 This collection of literature attempts to compile many classics that have stood the test of time and offer them at a reduced affordable price in an attractive volume so that everyone can enjoy them **Dr. Wortle's School - Scholar's Choice Edition** Anthony Trollope, Ed,2015-02-16 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Dr. Wortle's school** Anthony Trollope,1881 Dr. Wortle's School a Novel Anthony Trollope,2015-10-28 This collection of literature attempts to compile many classics that have stood the test of time and offer them at a reduced affordable price in an attractive volume so that everyone can enjoy them *Dr. Wortle's School* Anthony Trollope,2022-02-22 **Dr. Wortle's School** Anthony Trollope,2015-03-10 pretty little woman now over forty years of age of whom it was said that in her day she had been the beauty of Windsor and those parts Mary Wortle took mostly after her father being tall and comely having especially her father s eyes but still they who had known Mrs Wortle as a girl declared that Mary had inherited also her mother s peculiar softness and complexion For many years past none of the pupils had been received within the parsonage unless when received there as guests which was of frequent occurrence All belonging to the school was built outside the glebe land as a quite separate establishment with a door opening from the parsonage garden to the school yard Of this door *Dr. Wortle's School. in Two Volumes* Anthony Trollope,2017-10-02 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection

have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control ensures that the readers of Trieste Publishing s books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates

Doctor Wortle's School ANTHONY TROLLOPE, Dr. Wortle's School (Esprios Classics) Anthony Trollope,2021-09-13 Anthony Trollope 1815 1882 was one of the most successful prolific and respected English novelists of the Victorian era He wrote penetrating novels on political social and gender issues and conflicts of his day In 1867 Trollope left his position in the British Post Office to run for Parliament as a Liberal candidate in 1868 After he lost he concentrated entirely on his literary career While continuing to produce novels rapidly he also edited the St Paul s Magazine which published several of his novels in serial form His first major success came with *The Warden* 1855 the first of six novels set in the fictional county of Barchester The comic masterpiece *Barchester Towers* 1857 has probably become the best known of these

**Doctor Wortle's School Illustrated** Anthony Trollope,2020-03-16 The novel takes place in the respectable fictional parish of Bowick Victorian England with the main plot concerning itself with the renowned Dr Wortle s Christian seminary academy The community s morals are outraged and the school s credibility wounded upon the discovery that Mr and Mrs Peacocke a respectable English scholar and an American woman hired to the academy by Wortle are indeed improperly married Their wedlock was rendered asunder by their chance meeting some years prior of Mrs Peacocke s first husband an abusive drunkard named Colonel Ferdinand Lefroy Hearing that an ambiguous Colonel Lefroy was killed during the Civil War the two rightfully assumed it was Ferdinand and married Yet it is their strange persistence in living as husband and wife even after the shocking revelation that creates a scandal Wortle though religious sympathises with the Peacocks and is understanding of their love for each other and hatred for Colonel Lefroy The book is thus of the interest in providing multiple stories that of Wortle s attempt to rebuild his reputation provide rebuttal for malicious slander and all the while insist he was right in hiring the Peacocks Mr Peacocke s journey to America in search of Ferdinand s true status the sexual concerns of the Wortles daughter Mary and the insights of the community members who see the intentional bigamy as a sin

*Doctor Wortles School* Anthony Trollope,2017-04 Mr Peacocke a Classical scholar has come to Broughtonshire with his

beautiful American wife to live as a schoolmaster But when the blackmailing brother of her first husband a reprobate from Louisiana appears at the school gates a dreadful secret is revealed and the county is scandalized Dr. Wortle's School. A novel Anthony Trollope, 2025-07-09 Reprint of the original first published in 1881 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage
