Holder,2016-11-22 SHARING THE EXPERIENCE AND THE HISTORY At twenty one a young man still in college Dan Holder had an opportunity for adventure when his older stepbrother Kyn asked him to join an expedition Along with Kyn s wife Ella and Kyn s sister Nance they traveled in a small boat over 1 200 miles down the Yukon River through Canada s Yukon Territory and into Alaska That was in 1966 well after the gold rush of 1898 when the river had been heavily traveled by gold seekers aboard small rafts hand sewn rowboats some with sails and

large stern wheelers In 1966 the Yukon was basically a wilderness river with a few widely separated small towns along its shore a number of deserted cabins left by trappers and prospectors and deserted trading posts Birds and bears were plentiful There were no guided tours at that time The many branching channels of the Yukon Flats downriver from Dawson were a serious challenge Now as an author he shares with his readers that experience and the historical background that puts it in perspective The author also shares the experience of going back to Alaska with Kyn in 1971 on a fifty five foot fishing boat In Seattle they rerigged the boat from a seiner to a salmon troller They followed the gold rush route north to brave the challenges of fishing offshore on the Mt Fairweather fishing grounds He shares the excitement of nearly being swept onto the rocks by huge waves in a treacherous inlet and riding out hurricane force winds and thirty to forty foot waves offshore After leaving the boat he hiked alone over the infamous Chilkoot trail reaching the snow covered summit of the Chilkoot Pass near midnight in the Artic twilight on the longest day of the year not knowing if the trail would be passable In 2002 the author and his wife Sybille retraced some of the early Alaska fishing voyage on a cruise ship It was a very different kind of a trip but it brought back old memories and generated a few exciting new ones If you enjoy firsthand adventure and if you are intrigued by the atmosphere and the history of the Pacific Northwest then you should really enjoy this book     **Advanced Programmer's Guide to OS/2** Thuyen Nguyen,Robert Moskal,1989     **Interactive Video** Signe Hoffos,Eric Parsloe,1985 Guide to the technical aspects of interactive video ie The interactive use of video recordings and microcomputers describes interactive video and its potential uses esp In education and training discusses how videodisks videocassettes and computers work how to prepare and design an interactive programme and costs provides addresses of video electronic equipment suppliers and distributors of packages Diagrams glossary photographs references     **Once Upon a Time** ,2006 In recognition of the significance of Walt Disney s contribtions to film and 20th century art the organizers of the exhibit sought to present the sources that inspired Disney and his artists and to present modern and contemporary works that reveal the ongoing influence of the Disney iconography p 2 of cover     [This Book Contains Graphic Language](#) Rocco Versaci,2007-12-15 No Marketing Blurb     **Art Education** ,1977 Issues for June 1953 June 1955 Oct 1956 are directory issues of the association s membership     **Points of Influence** Morley Segal,1997 Points of Influence provides a primer for understanding and influencing individual human behavior in the workplace With capsule introductions to the key personality theorists who have had the most profound effect on the study of motivation and human behavior Morley Segal shows how each theory can help managers gain a better understanding of human behavior and expand their managerial skills
