Polsley,2022-04-13 From holographic illusions simulated worlds and parallel universes to the multiverse from The Matrix Star Trek Marvel and DC Comics to Netflix and mobile games today s popular imagination is caught up with realities beyond our own Decades ago cosmologists speculated that our universe might be a gigantic holographic image Since then the holographic principle has only gained traction What is the holographic universe and how does it align with the Bible s picture of reality and Jesus Christ Are we a computer simulation Did aliens spark human life Is a multiverse a problem for God Do time and free will exist What does it all mean for Christians Introducing the holographic principle and exploring implications of other worlds through a Christian lens this basic guide gives individuals and small groups a perspective of eternal investment prayer study and intentional living that focuses on the Bible as the unchanging source of truth presenting practical information for sorting fact from fiction engaging with modern culture and finding a firmer worldview in Christ Not only is a holographic universe no threat to the Gospel but the Bible points to a higher reality hinting at the fingerprints of God in holographic theory **Virtual Pedophilia** Gillian Harkins,2020-04-10 In

Virtual Pedophilia Gillian Harkins traces how by the end of the twentieth century the pedophile as a social outcast evolved into its contemporary appearance as a virtually normal white male The pedophile's alleged racial and gender normativity was treated as an exception to dominant racialized modes of criminal or diagnostic profiling The pedophile was instead profiled as a virtual figure a potential threat made visible only when information was transformed into predictive image The virtual pedophile was everywhere and nowhere slipping through day to day life undetected until people learned how to arm themselves with the right combination of visually predictive information Drawing on television movies and documentaries such as Law and Order SVU To Catch a Predator Mystic River and Capturing the Friedmans Harkins shows how diverse U S audiences have been conscripted and trained to be lay detectives who should always be on the lookout for the pedophile as virtual predator In this way the perceived threat of the pedophile legitimated increased surveillance and ramped up legal strictures that expanded the security apparatus of the carceral state I'm Buffy and You're History Patricia

Pender, 2016-06-28 Buffy the Vampire Slayer gave contemporary TV viewers an exhilarating alternative to the tired cultural trope of a hapless attractive blonde woman victimized by a murderous male villain With its strong capable heroine witty dialogue and a creator Joss Whedon who identifies himself as a feminist the cult show became one of the most widely analysed texts in contemporary popular culture The last episode broadcast in 2002 did not herald the passing of a fleeting phenomenon Buffy is a media presence still active on DVD and the internet alive in the career of Joss Whedon and studied internationally I m Buffy and You re History puts the entire series under the microscope investigating its gender and feminist politics In this book Patricia Pender argues that Buffy includes diverse elements of feminism and reconfigures and sometimes revises the ideals of American second wave feminism for a wide third wave audience She also explores the ways in which the final season's vision of collective feminist activism negotiates racial and class boundaries Exploring the Slayer's postmodern politics her position as a third wave feminist icon her placing of masculinity in extremis and her fandom and legacy in popular culture this is a fresh and challenging contribution to the growing literature on the pitfalls and pleasures of a great cult TV show The Complete Stephen King Universe Stan Wiater, Stanley Wiater, Christopher Golden, Hank
