Now they're about to travel to the windswept refuge of Sanctuary Island where they'll discover that fortune, fame, and power don't mean a thing without someone to share it with. Miles Harrington has always been the responsible older brother. When his parents died, he stayed strong for Dylan and Logan's sake and took the reins of the family business without ever looking back. Now he's come to Sanctuary Island to knock some sense into his wayward brothers, but he never expected to fall in love with Greta Hackley. Greta is a small town girl who's never stepped foot off the island. Can the jet-setting billionaire whisk her away to his life of luxury, or will the simple pleasures of Sanctuary Island win him over first?

The Fireside Inn Lily Everett, 2014-01-07 They're gorgeous, they're rich, they're single, and they're determined to stay that way until they take a trip to Sanctuary Island. Don't miss this unforgettable new novella trilogy about three billionaire bachelors who are about to discover that sometimes you have to let go of the life you planned in order to embrace the life of your dreams. In the first novella, *The Fireside Inn*, Lord Leo Stratham seems to have it all. But when he meets Sanctuary Island's quirky young librarian, he's intrigued. Serena is unlike anyone he's ever met before, and he's determined to get to know her a whole lot better. Yet despite the simmering attraction between them, she isn't interested in putting up with a pampered playboy unless he can convince her to take a chance on him.

Home at Last Lily Everett, 2017-03-07 Home is where the heart is. In Lily Everett's *Home at Last*, Marcus Beckett left Sanctuary Island after his mother's funeral, and he hasn't been back since. Until now. Needing a change from the high-risk, high-stakes life of a bodyguard, Marcus makes a solitary life for himself running the neighborhood bar in his hometown. His only mistake? Seducing and then dumping the town's sweetheart, Quinn Harper. Marcus knows he did the right thing; a good girl like Quinn has no business with a broken man like him. But now no one will come to his bar, and he's watching his last chance at a peaceful life go up in smoke. So when Quinn proposes a fake four-week courtship, he can't refuse, even though he knows it's a bad idea. It's a romantic charade that will buy Quinn time to distract her mother and father from their own marital problems and will help Marcus welcome back some paying customers besides. But what begins as an engagement of convenience slowly transforms into a deeper connection, one that heals both of their hearts and ignites the simmering passion between them. Could it be that pretending to be together is just what Quinn and Marcus needed to give their real love a second chance? Heartwarming, emotional, extremely romantic. Enjoy your trip to Sanctuary Island. I guarantee you won't want to leave.
