Bonk Hedz A Caveman And Woman Story English Edition

Norm Cowie

Bonk Hedz A Caveman And Woman Story English Edition:

Bonk and Hedz Norm Cowie, 2011-06-01 Bonk and his mate Hedz are an ordinary caveman and cavewoman struggling with the everyday existence that comes when one's place in the food chain isn't all that clear. If creating fire, dodging volcano eruptions, and outrunning saber tooth tigers isn't stressing enough, their efforts at daily survival are interrupted when a strange little caveman named Lob arrives in the village. Lob convinces their leader Chief Wug that a neighboring tribe is amassing weapons of mass destruction in preparation for an assault on their village. As Lob gains more influence on their chief, the tiny community of troglodytes must form an army and prepare to defend themselves. But when this endeavor raises unexpected social issues such as women's rights, religion, and politics, the cavemen realize they might have been better off if they had never come down from the trees. Mixing slapstick and social commentary in equal amounts, BONK HEDZ shows how things might have gone had Fred Flintstone and George W. Bush crossed clubs. [Cavemannerisms](#) Norm Cowie, 2025-02 Travel back to the Stone Age in this collection of humorous short stories highlighting our cavemen and cavewomen ancestors as they first discover things we now take for granted like clothing, personal hygiene, and ketchup. One story was a semi-finalist in the Next Generation Short Story Awards, and others have appeared in several publications including Pop Syndicate and Story Shack. And though they didn't exist simultaneously, some dinosaurs just might maybe make an appearance. CAVEMANNERISMS features characters from the novel Bonk and Hedz: A Caveman and Woman Story. From the author of MOONED, winner of the 2022 Firebird Book Award for Young Adult Contemporary Fantasy Comedy.

This Enthralling World of Kindle Books: A Detailed Guide Unveiling the Benefits of E-book Books: A World of Convenience and Versatility E-book books, with their inherent mobility and ease of availability, have freed readers from the constraints of hardcopy books.
