Learning How to be a Hero Boxset Taylor Ellwood,2022-01-04 The Learning How to be a Hero series follows the adventures of Nelson as he learns what it takes to be a hero Book 1 Learning How to Fly is now available Nelson is a superhero with an embarrassing problem He can't fly very well and he's been ordered to attend remedial flying school If he

doesn't pass the class he'll lose his superhero license and have to work at the weather bureau. But a class in remedial flying is just the beginning of his problems. His girlfriend thinks he's self-obsessed and his mom won't get off his case about not living up to the family legacy. When Nelson is framed for a crime and sent to the Defining Center of Adjustments, the sinister warden Pretty Boy will challenge everything he thought he knew about being a hero. If Nelson can't get his act together and realize that what makes a superhero isn't the costume but the actions the superhero takes, he might lose more than his career. He might lose his life and everyone important to him. *Walking with Spirits* Taylor Ellwood, 2020-08-27. In *Walking with Spirits* I share my process for connecting and working with spirits that enables you to get consistent results while building collaborative relationships with the spirits you work with. Working with spirits doesn't have to involve the coercion of spirits that you find in conventional approaches to spirit work. What I share is an alternative approach that enables you to develop a friendly relationship with the spirits you work with and allows you to get results. Instead of trying to force a spirit to do something for you, you'll learn the following: How to create a rapport with spirits that allows you to become allies. Why a co-equal relationship with spirits is better than any other type of relationship you could form. What the problems are with conventional Western spirit work techniques such as what you find in the grimoires. How to use experiential embodiment to connect with spirits. How to use a simplified approach to invocation and evocation that allows you to work with spirits and get results. If you're ready to learn a different approach to working with spirits where you don't create enemies and instead have life-long relationships where you and the spirits work with each other, *Walking with Spirits* will show you a different path for working with spirits that gets you results. **The Bibliographer** Henry Benjamin Wheatley, 1884. But they also have Dmitri Eslinger, the shadowy CEO of Zombii Co, to contend with, and he has his own reasons for starting the zombie apocalypse: reasons that may ultimately save part of humanity while damning the rest. Can Sam Alisha and the others stop Eslinger from fully realizing his insane plans to create different zombie strains? Find out in the *Zombie Apocalypse Call Center Boxset 2*. **Walking with Nature Spirits** Taylor Ellwood, 2023-06-27.
