

A MILLION LITTLE PIECES

BY

JAMES FREY

Imagine waking up on a plane with no idea where you have been or where you are going. Imagine that your front four teeth are missing, your nose is broken and there is a gash on your cheek. Imagine that you have no wallet, no money, no job. Imagine that you have been an alcoholic for ten years and a crack addict for three. What would you do?

When he entered a rehabilitation centre at the age of twenty-three, James Frey had destroyed his body and his mind almost beyond repair. He has to fight to determine what future, if any, his life holds. His lack of self-pity, cynicism and piety gives him an unflinching honesty a

fearless candour that is at once charming and appalling, searing and darkly funny. *A Million Little Pieces* is an uncommonly genuine account of a life destroyed and a life reconstructed.

'A heartbreaking memoir defined by its youthful tone and poetic honesty. Beneath the brutality of James Frey's painful process of growing up, there are simple gestures of kindness that will reduce even the most jaded to tears. Very few books earn those tears this one does. It will have you sobbing, laughing, angry, frustrated, and most importantly, hopeful. *A Million Little Pieces* is inspirational and essential. A remarkable performance.' Bret Easton Ellis

'James Frey is horribly honest and funny. He is unerring in his descent into a world where the characters need help in such extremely desperate ways. Read this immediately.' Gus Van Sant
