

Born Worker

GARY SOTO

They said that José was born with a ring of dirt around his neck, with grime under his fingernails, and skin calloused from the grainy twist of a shovel. They said his palms were already rough by the time he was three, and soon after he learned his primary colors, his squint was the squint of an aged laborer. They said he was a born worker. By seven he was drinking coffee slowly, his mouth pursed the way his mother sipped. He wore jeans, a shirt with sleeves rolled to his elbows. His eye could measure a length of board, and his knees gonflected¹ over flower beds and leafy gutters.

They said lots of things about José, but almost nothing of his parents. His mother stitched at a machine all day, and his father, with a steady job at the telephone company, climbed splintered, sun-dried poles, fixed wires and looked around the city at tree level.

"What do you see up there?" José once asked his father.

"Work," he answered. "I see years of work, *mijo*.²"

José took this as a truth, and though he did well in school, he felt destined to labor. His arms would pump, his legs would bend, his arms would carry a world of earth. He believed in hard work, believed that his strength was as ancient as a rock's.

"Life is hard," his father repeated from the time José could first make out the meaning of words until he was stroking his fingers against the grain of his sandpaper beard.

His mother was an example to José. She would raise her hands, showing her fingers pierced from the sewing machines. She bled on her machine,

¹ gonflected: bent as in crotch

² vulgar Spanish for "my son"
