

Short Essay on Spring Season

Spring season is a pleasing season of everyone. Spring season in India falls during the months of March, April and May.

It comes after a long three months of winter season during which people feel relief from the winter cold.

In the spring season temperature become moderate and everywhere looks green and colorful because of the blooming trees and flowers.

After a long wait, finally time comes when we start wearing lighter clothes and can go outside the door more often. Small children do kite flying.

Holi festival falls in the starting of this season when everyone fully enjoy the coming of spring by playing holi with colors and water.
