Gardner, 2023-11-14 In *Engraven Upon Plates Printed Upon Paper* Textual and Narrative Structures of the Book of Mormon author Brant A Gardner delves into the intriguing layers of composition and historical context of the Book of Mormon While taking seriously the implications for what it means for this book of scripture to be a translation of an ancient record written by historical persons Gardner explores the translation process of the Book of Mormon analyzing three compositional layers the nineteenth century text the Nephite Book of Mormon and the Nephite writers and their sources This work contributes to a deeper understanding of the origins and compositional history of the Book of Mormon without aiming to serve as an apologetic defense Praise for *Engraven Upon Plates Printed Upon Paper* Brant Gardner has long been at the head of Book of Mormon studies With his new book *Engraven Upon Plates Printed Upon Paper* he adds to his lengthy resume by deconstructing one of the more vexing issues in Book of Mormon studies namely how to understand the complicated relationship between the Nephite Gold Plates and the nineteenth century English Book of Mormon Gardner provides careful analysis of by what means Joseph Smith may have translated the plates how the Nephite authors may have conceived their project and in what way those Nephite authors may have integrated their own sources into their record Any reader seeking a deeper insight into construction and realization of the Book of Mormon text will find much to admire in this project Nicholas J Frederick Associate Professor of Ancient Scripture Brigham Young University and author of *The Bible Mormon Scripture and the Rhetoric of Allusivity* Written as a companion to *The Plates of Mormon A Book of Mormon Study Edition Based on Textual and Narrative Structures in the English Translation* this volume bristles with insights gained through a detailed reading of the text It represents one of the most thorough and substantive treatments of the nature of the translation transmission and organizational design of the Book of Mormon text to date This expansive study immediately rises to top of must read resources relative to the Book of Mormon Kerry Hull co editor *A Hundredth Part Exploring the History and Teachings of the Book of Mormon* **To Find the Path to Eternal Life Ye Must First Seek to Obtain My Word** Ivan Kent Richards, 2019-10-18 It is false assumptions and misinformation that lead to false conclusions This book will point out many of the false religious assumptions people frequently make which keep them from finding the path to true eternal life with God Several mysteries of God are unfolded in this book which will bring people to a greater knowledge of God and his works among mankind **The 1920 Edition of the Book of Mormon** Richard L. Saunders, 2022-01-25 Members of The Church of Jesus Christ of Latter day Saints tend to see the Book of Mormon through the lens of personal use as a single textual and scriptural monolith the Book of Mormon That is somewhat natural since we tend to have at hand and in use only the copy or version in our language needed to study it for inspiration In the process the point tends to get overlooked that while we may accept the text as inspired the physical embodiment of that text the Book of Mormon is a mortal reality The Book of Mormon while it has a spirit also has a mortal

body or rather bodies existing in space and time As such it has a history and because it comes to us in the form of a book it also has a book history This study is divided into three parts The first part is a straightforward history of the edition s editing production and manufacturing processes It examines key points in the reprint history of the book following important factors in the subsequent impressions of the work across nearly thirty years of re impressions corrections transfers and one new format The narrative crowded into chapters one through four together leave Part II to catalogue the bibliographic minutia that is the beating heart of analytic book history and which provides entertainment for true blooded bibliophiles The details contained in the production and manufacturing contracts and coupled to the typographical evidence explained in Part III together resolve once and for all the question of what constitutes the 1920 edition and what does not
