Book Road Away From Redemption English Edition:

Christian Temporalities Anna-Karina Hermkens, Simon Coleman, Matt Tomlinson, 2024-06-22 This volume explores how different forms of Christianity shape people's visions of pasts and futures and how the transcendent is brought into human time. Beyond conventional discussions around breaks with the past in Christian conversion and future ruptures announced in prophecy, the volume reveals previously unexplored ways in which Christians work with concepts of time and its articulation with divinity, subjectivity, agency, and personal, social, and political change. By developing Coleman's argument about historiopraxis in novel directions, contributors provide new understandings of religious temporalities and the ritual articulation of immanence and transcendence. While building upon previous scholarly work in the anthropology of Christianity, this volume pushes the debate further and provides original insights into how religion is mobilised to shape and transform people's pasts, presents, and futures.
