

# BOOK OF BLOGNOTS, NOT BLOGS

Lee Sinclair

The most incredible thing has happened. I accidentally stumbled across THE secret of the universe which explains EVERYTHING. It's so amazing that you will believe it unless I can prove it. I'm going to write it down so it can't be lost. And if anything happens to me, I'm going to bury it two feet east of my house in a sealed container to protect it. Big M is helping me dig the hole.

level headed in her approach to monetizing her blog and truly believes and promotes that a blog full of good ideas content and writing must come first My favorite part is that every chapter ends with a plan of action which is great if you are truly looking to improve your blog I can't wait to put her tips and ideas into action and watch my blog grow Maggie The Love Nerds

**How to Start a Blog** Manuel Rise,2019-08-31 Buy the Paperback version of this book and get the Kindle eBook version included for FREE Do you really want to start a blog Remember that the Start is the most important part to become a blogger authority so if you want to set everything up properly in your blog keep reading IMPORTANT this book was not written to promote a live event where I will give you more information I poured all my knowledge into this book saving nothing My name is Manuel Rise and I am a professional blogger since 2014 Professional blogger means I can live my life blogging I have a blog more than one in truth through which I sell a service Several years have passed since I started writing articles and the world of blogs has changed a lot Honestly it changes every year So to keep up with the times every year I attend SEO courses by Google copywriting and basically every kind of course related to the world of blogs Unfortunately there is no great course on internet that explains how to build a blog and earn money by selling a product or service That's why alongside with my business I decided to write this series of books Everything you will find in these books is result of my experience and that's what allowed me to leave my job and be able to live only with my blogs It's not a simple journey making money with a blog is not a quick process and presents a lot of pitfalls Making sure that our blog reaches first pages of Google results is a matter that takes a lot of time and a lot of work And even if it is so fashionable earns with your passions it's unfortunately not a real matter You can't think to earning money simply by writing you always need to sell something link a product like a service like an affiliation etc In this book I will try to be as clear as possible and show you how to set everything up properly in your blog

**WHAT YOU WILL FIND IN THIS BOOK** The only way to make money through your blog which is not Write your passions and get ton of money The perfect type of blog that you should choose to start properly your blog business How to define the right target of your readers and understand how to write to attract them to your posts Why the domain name is so important and how to set it up to have Google on your side The importance of the logo colors and design of your blog which parts are important and what you have to write in each of them Why you should use WordPress and what plugins you should install for free What is the best time to get your posts out and how often you need to write one and much more Don't worry it's a long process but nothing of hard You can learn everything even if you never write a single blog post in your life Scroll to the top of the page and select the BUY NOW button Buy the Paperback version of this book and get the Kindle eBook version included for FREE

*Blogging* Isaac Kronenberg,2017-03-15 Sure I know you've heard it all before just pick the right niche write good articles sprinkle affiliate links everywhere and you are sure to make a profit Well have I got news for you That's NOT what the big money bloggers are doing Though that's not to say there isn't some truth in putting affiliate links in your blog but just sprinkling them around and hoping someone clicks on them is the wrong strategy

entirely Thus this book aims to reveal to you exactly what the big money bloggers really do which is exactly what I do Make no mistake about it most who get into blogging are totally clueless in the area of monetization and fail to make their blogs profitable And since that is the reality of things your competition is low if you do things right the way I illustrate in this book In fact you ll never need to pick up another blogging book again after this book is through with you because you ll know exactly what you need to do to monetize your blog Trust me on this this book is the best blogging book you will ever read on blogging and it will show you a very true very straight forward map to ensuring that you get paid from your blog The only way you can fail is by not implementing the method that I teach so be sure to not just read this book passively and actually implement the method that I m teaching you as I m absolutely certain that it will take your blog to the next level
