Book Of Short Stories:

Short! Kevin Crossley-Holland,1998 The longest of the stories in this book is short and the shortest is just one sentence long Which means there are lots of stories a whole bookful to make you think laugh Shiver and think again Short Stories David Owens Short Stories,2019-08-27 If you can't decide which new novel or nonfiction book to pick up here's another idea try reading a short story collection Rather than focus on a singular narrative these unique options weave together the voices of several writers or focus on multiple stories by an author you know and love Short stories are tiny windows into other worlds and other minds and other dreams They are journeys you can make to the far side of the universe and still be back in time for dinner *Collected Short Stories: Volume 1* W. Somerset Maugham,1992-09-01 These 30 short stories comprising Somerset Maugham's first collection are set in locations ranging from England France and Spain to the silver sands of the South Pacific They include Rain The Three Fat Women of Antibes The Voice of the Turtle and Before the Party For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators *Fifty Great Short Stories* Milton Crane,1983-08-01 50 Great Short Stories is a comprehensive selection from the world's finest short fiction The authors represented range from Hawthorne Maupassant and Poe through Henry James Conrad Aldous Huxley and James Joyce to Hemingway Katherine Anne Porter Faulkner E B White Saroyan and O'Connor The variety in style and subject is enormous but all these stories have one point in common the enduring quality of the writing which places them among the masterpieces of the world's fiction **Heart of the West (Collection of 19 Short Stories)** O Henry,2021-02-24 A collection of 19 short stories from the West Heart of the West first published in 1907 collects many though not all of O Henry's Western stories and most of the stories in the book though not all are set in Texas Perhaps reflecting William Porter's own experience as a young man in the middle of nowhere on the Texas prairie where women were few and far between many of the stories are comic tales of romantic rivalry usually featuring two bluff and feckless young men in competition for the attention of the same rather remote and demanding young woman This comically romantic longing is often deflected into an outlandish competition the winner of which is supposed to get the girl In the funniest story in the book The Handbook of Hymen which is set in Montana two prospectors Sanderson Pratt and his partner Idaho Green come down out of the mountains and each try to woo a pretty widow by the book literally **Classic Short Stories** Silver Burdett Press,1985-12 *A Little Book of Great Short Stories* Bettye Favors,2021-02-02 Short stories can be enjoyable entertaining as well as stimulating for the mind When short stories are read and discussed in a group session or a classroom they generate discussion open communication and various opinions amongst the group Each story has its own moral lesson but each reader

may discover that their ideas may differ vastly from what the writer intended Short stories can be read in less than 10 minutes but the moral of the story can linger in the mind for a lifetime Don't underestimate the power of short stories When you share a short story the listener may identify with aspects of the story and experience a moment of an emotional change Your story can serve as a seed that will bring forth good fruit in its season
