The Untethered Soul Michael A. Singer,2007 Who are you In this remarkable book author and spiritual guide Michael Singer explores this fundamental question seeking the very root of consciousness in order to help readers learn how to dwell in the present moment Written in an engaging and uncomplicated voice this book will open readers up to the radical and powerful experience of simply being themselves *The Untethered Soul* Michael A. Singer,2009-10-05 The chapters of this book are nothing but mirrors for seeing your self from different angles And though the journey we are about to embark on is an inner one it will draw upon every aspect of your life The only requirement asked of you is the willingness to honestly look at yourself in the most natural intuitive manner Remember if we are seeking the root of self what we are actually seeking is you As you read through these pages you will find that you know much more than you thought you did about some very deep subjects The fact is you already know how to find yourself you have just gotten distracted and disoriented Once refocused you will realize that you not only have the ability to find yourself you have the ability to free yourself Whether you choose to do so or not is entirely up to you But upon completion of your journey through these chapters there will be no more confusion no more lack of empowerment and no more blaming others You will know exactly what must be done And should you choose to devote yourself to the ongoing journey of self realization you will develop a tremendous sense of respect for who you really are It is only then that you will come to appreciate the full depth of meaning in the advice This above all to thine own self be true **The Untethered Soul (EasyRead Super Large 20pt Edition) , The Untethered Soul Michael A.**
