How To Get Divine Direction Apostle Joshua Selman, 2020-12-07 Transformation is a product of replacing your old ideologies with another that is new sustainable and is able to take you to the place God wants you to go It is not enough that we have a prophetic destiny in Christ and it is not even enough that we know that we have a prophetic destiny in Christ We must know how to get there and what it takes to get there and we must commit ourselves This is one of the major problems in the body of Christ We teach a lot about where we are going and where God is taking us and the fact that there are many prophetic things reserved for us and that is not a lie Except for the fact that if believers are not equipped and shown how to leave where they are to that prophetic destiny they will be frustrated with time The Bible says hope that is deferred can make the heart weary Our job in this place is not only to reveal to you that there is a prophetic destiny an agenda in the spirit that there is an intention in the heart of God for the nations and for us as individuals but to guide us through the spiritual principles that will transit and transform us to that place Read this Book and Be Blessed

Brown,2017-09-20 Now is the time to empower our youth to gain their spiritual independence Divine Direction is a starting point to help our youth and new believers connect with the power within their divine power Society s programming will have you think we must search the internet or our favorite app or even social media to find our true self When the answer is within The reader will be given foundational truths to who they are and why they are so important to the world *Seeing and Hearing the Access to Divine Direction* Mike C. Boniface,2019-02 God s divine vision and information is the foundation to our success **Divine Direction** Reverend Albert Bibby, God's Divine Direction Buddy Crabtree,2020-04-07 The Word of God is all you need to learn how to live But simply knowing how to live doesn t ensure that you know what God is calling you to do The Word won t tell you who to marry where you should work what church to go to what business deals to accept or decline and so on That is why it is imperative that we learn to be led by the Spirit and discover God s specific and individual direction for our lives People are more undecided today than ever before Many are trapped In the cycle of bouncing from job to job from church to church and from home to home with no direction God is watching over you right now fully willing and able to pull you out of a life of aimless wandering He wants to give you a life of purpose hope and direction He wants to guide you and satisfy your life with good things This book was written to show you how to be led by the Spirit of God and walk in His divine direction for your life *The Path of Divine Guidance* Abdoul A Aikou,Aikou Adeshakin,2025-09-12 The Path of Divine Guidance A Journey Into the Heart of God s Wisdom There is no greater privilege for a human being than to be led by God From the beginning the Creator has desired not only to be worshiped but also to walk with His creation to guide to speak to lead into His will The Path of Divine Guidance is an invitation to rediscover this intimate walk with the Father through the living presence of the Holy Spirit and the perfect example of Jesus Christ This book explores the mystery and beauty of being divinely led not by human calculation or ambition but by the gentle yet unshakable wisdom of Heaven It reveals that true guidance is not a map it is a relationship God does not merely show the way He is the Way Through every page the reader is invited to listen again to the eternal voice that spoke to Abraham in faith that led Israel by the pillar of

cloud and fire that directed Jesus step by step in His earthly ministry and that now dwells within us through the Spirit In a world overwhelmed by confusion competing voices and endless opinions The Path of Divine Guidance brings you back to the still center to that inner sanctuary where God speaks in peace and truth It teaches that divine direction is not found in the noise of the world but in the whisper of His Spirit You will discover How Jesus perfectly modeled a life led by the Father doing nothing except what He saw the Father do How the Holy Spirit continues that same ministry today guiding believers into all truth revealing things to come and aligning us with the will of God How obedience opens doors that human intelligence cannot unlock and how surrender leads to supernatural fruitfulness How divine timing discernment and spiritual sensitivity prepare the believer to walk in step with Heaven s rhythm How every believer not just prophets or leaders can experience the personal practical and daily leadership of the Holy Spirit This path is not always easy but it is glorious It is the narrow way that leads to life where every decision becomes a moment of fellowship and every step echoes eternity It is the same path Jesus walked where trust triumphed over fear and divine wisdom conquered human limitation The Path of Divine Guidance reveals that being led by God is not merely about finding answers it is about finding Him It is about becoming one with His mind His will and His heartbeat The reader will come to understand that God s guidance is not a distant privilege for the spiritual elite it is the birthright of every believer who has received the Spirit of Christ The Holy Spirit is not only a comforter but a Guide a divine Counselor who walks beside us whispers within us and shapes our choices to reflect God s eternal plan As you read you will be drawn into deeper fellowship with the Trinity The Father who ordains the way The Son who is the Way The Holy Spirit who lights the Way within you You will learn to trust His timing when He seems silent to follow His peace when circumstances shake and to rejoice when His plans exceed your understanding You will see that every delay every redirection every closed door can carry divine wisdom for God s guidance is never late never random never wasted Ultimately this book is a spiritual journey from confusion to communion from uncertainty to intimacy It calls every reader to live as Jesus lived in daily fellowship with the Father fully yielded to the Spirit and fully confident in divine direction

Divine Directions Frances Lowe, 2022-10-12 Now is the time Frances began writing this book under a different title in the early 2000s at the urging of a seminar speaker whose goal is to empower women This speaker encouraged all the women in attendance to start writing a book The speaker said Every person has at least one book in them and maybe more Frances began to write She wrote many short stories but soon abandoned her writing mainly because of family problems the lack of time and an inability to concentrate on her writing Frances felt she lacked the skills and the support to complete the project Now with the world in a full pandemic Frances believes now is the time to release her writings to inspire and encourage people Every day Frances sees so much hopelessness despair homelessness poverty sickness hate bitterness and violence in the world It is Frances s hope that sharing these stories with others will inspire encourage and give some hope and shed a little light on the dark time in which we are living Frances wants people of no faith little faith or a lot of faith to know that the

same God who spoke through the burning bush to Moses will speak to them The same God who spoke to Abraham when He promised to make him a great nation will speak to you too As God spoke at the baptism of Jesus His only Son saying This is my beloved son He will speak the same words to you Smile Cheer up With God all things are possible 1 Heart Print David Dunni Dada,2010-09-24 There are unlimited treasures hidden in the place of intimacy with God secret place of the most high which cannot be possessed with earthly currency Joy unspeakable peace that surpasses all understanding divine direction divine help amazing grace and so on Although all these treasures are reserved for God s people in His presence it hurts God s heart to see that many in the Kingdom don t know how to access His sweet presence dwell in it and enjoy all that He has reserved for them This book is a guide and a vehicle designed to bring God s people back to Eden
