Year Book of the New York Southern Society New York Southern Society,1921 What About Mozart? What About Murder? Howard S. Becker,2024-05-31 In 1963 Howard S Becker gave a lecture about deviance challenging the then conventional definition that deviance was inherently criminal and abnormal and arguing that instead deviance was better understood as a function of labeling At the end of his lecture a distinguished colleague standing at the back of the room puffing a cigar looked at Becker quizzically and asked What about murder Isn t that really deviant It sounded like Becker had been backed into a corner Becker however wasn t defeated Reasonable people he countered differ over whether certain killings are murder or justified homicide and these differences vary depending on what kinds of people did the killing In What About Mozart What About Murder Becker uses this example along with many others to demonstrate the different ways to study society one that uses carefully investigated specific cases and another that relies on speculation and on what he calls killer questions aimed at taking down an opponent by citing invented cases Becker draws on a lifetime of sociological research and wisdom to show in helpful detail how to use a variety of kinds of cases to build sociological knowledge With his trademark conversational flair and informal personal perspective Becker provides a guide that researchers can use to produce general sociological knowledge through case studies He champions research that has enough data to go beyond guesswork and urges researchers to avoid what he calls skeleton cases which use fictional stories that pose as scientific evidence Using his long career as a backdrop Becker delivers a winning book that will surely change the way scholars in many fields approach their research Baltimore's Books Enoch Pratt Free Library,1927 **The NKJV Study Bible** Thomas Nelson,2008 The NKJV Study Bible the most comprehensive study Bible available is now better than ever The acclaimed NKJV Study Bible is the most complete study system for pastors teachers or Bible students who desire accurate study in God s Word The Second Edition is better than ever including more features to make it the best all purpose study Bible available Using the trusted New King James Version R The NKJV Study Bible Second Edition has the mind of a scholar and the heart of a pastor Nelson s skilled team of scholars has produced the study system to reach for when accurate beneficial study in God s Word is the goal Features include Expanded cross references with textual notes Revised word
