wounded With what he believes is his dying breath he saves a boy born to an extinct race from a group out to enslave the kid for his legendary abilities Ushara Altaan has spent her entire life hating the Andarion royal house that drove her entire species into virtual extinction As a rare Andarion Fyreblood she is sworn to end the existence of any royal she finds But when Dagger saves her son s life she is torn between her people and a debt that can never be repaid Yet worse than Dagger s family that s still out to end hers and him are the League assassins after him who will stop at nothing to claim the lives of her Tavali family The only hope she has to save them all is to put their future and her faith into the hands of the very enemy whose grandmother personally extinguished Ushara s legendary lineage But how can she ever trust Dagger when he is a disinherited outlaw whose real name is synonymous with betrayal

**Born of Vengeance** Sherrilyn Kenyon, 2017-02-07 A fate worse than death Bastien Cabarro survived the brutal slaughter of his entire family only to have his wife pin their murders on him Made Ravin by The League he is now a target for their assassins in training to hunt and kill The average life expectancy for such beings is six weeks But defying the odds is what this Gyron Force officer does best and Bastien won t rest until he lays his betrayers in their graves Ten years later he has one chance to balance the scales of justice provided he relies on his former wingman the very sister of the woman who testified against him Major Ember Wyldestarrin joined the outlaw Tavali the day Kirovar fell into the hands of a tyrant and she and her sister team were left on an outpost to die under the barrage of enemy fire The last thing she wants is to be involved in politics again But the one thing she wants more than anything is revenge on the tyrant who murdered her parents and forced her and her sisters into exile Carrying a secret she knows Bastien will annihilate her over she must find some way to trust her former wingman before he catches on and kills her Even so treachery doesn t come easy to a woman who took a loyalty oath to protect her homeworld and comrades in arms especially when Bastien is much more to her than just a former wingman Yet as she tries to do right for her family she learns that Bastien doesn t just hold the key to the fate of Kirovar he is vital to The Sentella League war and to The Tavali If she doesn t ensure he survives this mission three nations fall and time for all of them is quickly running out
