Shenk, Badru Kateregga, 2011-10-20 Millions of Muslims and Christians are neighbors and they believe that they worship the one and only God Yet they seldom witness to each other In this book a Muslim Badru D Kateregga and a Christian David W Shenk attempt to witness and listen The issues they deal with are profound Kateregga and Shenk open up the basic questions of the human situation and confront similarities and differences in Muslim and Christian responses In recent years Muslim Christian interactions have too often been antagonistic Here the authors pioneer another way that of authentic dialogue between friends Part of the Christians Meeting Muslims series **Journeys of the Muslim Nation and the Christian Church** David W. Shenk, 2003-10-12 Islam and Christianity seem to be at opposite and unbridgeable poles both committed to world mission Given the political tension and violent acts that sometimes surround these two major world religions it is essential for both sides to understand the other its history beliefs traditions and vision for the future This invaluable resource from David W Shenk an expert in comparative religious studies examines Islam and Christianity at their deepest spiritual cultural and communal levels It explores the similarities and yet unavoidable differences found in Isaac and Ishmael Jesus and Muhammad the Bible and the Qur'an Jerusalem and Medina the Eucharist and the Hajj the Church and the Ummah Reflecting years of conversations and dialogue with Muslim friends this is narrative theology full of anecdote and personal experience that bridges the poles and builds understanding Part of the Christians Meeting Muslims series *Glad News!* Samy Tanagho, 2005-06 The author integrates all of the positive teachings in Islam concerning the Christian faith and Jesus Christ to help Muslims believe the Gospel and to see the divinity of Jesus Christ and the salvation He wants Muslims to experience The book highlights parallel passages in the Qur'an and the Bible about the person of Jesus Christ such as His unique sinlessness and His unique virgin birth The supernatural attributes of Jesus actually compel the conclusion that Jesus is more than a prophet Throughout the book the author presents God's marvelous unconditional love for the reader and how

God longs for a personal relationship with us based on grace and not on human works or rituals In light of the keen desire of nearly every Muslim to seek God and to please God Glad News is customized for Muslim readers by establishing common ground using some of their own beliefs as a stepping stone to the Gospel Samy's book answers Muslim's most important questions about the Christian faith and penetrates their hearts with the gospel This book is also designed to educate and equip Christians in effectively presenting the Biblical teaching to Muslims in a way that they can understand relevant to their background culture and beliefs

Questions Muslims Ask

Robert Scott,2012-06-08 Robert Scott has discovered that many of his Muslim friends are quite open to talking about matters of faith Here he explores common

questions and objections they've discussed with him. The result is an opportunity to appreciate where Muslims are coming from and help your Muslim friends better grasp what Christians actually believe and why. *Meeting Islam* George Dardess, 2005. Islam's key facts, chief concepts and practices are shared through the author's own failings and successes in a guide that explores the rewards and dangers of venturing outside the boundaries of one's faith. Original. *Reaching Muslims* Nick Chatrath, 2011-08-10. A fascinating introduction covering demography, theology, culture, politics, justice and other aspects of Islamic identity. It is well illustrated with stories and examples. Nick considers what reasons a Muslim might have for thinking that Jesus is good news. What does the Qur'an say about Jesus? Why do we know that God loves Muslims? He then suggests thirteen No Regret Moves to help build open-hearted friendships and to equip Christians to connect with Muslims including: Pray in faith for open hearts; Foster curiosity; Show love in action; Invite others into The Story and your story. He deals with three theological hot potatoes: should Christians call God Allah; should a convert from Islam be baptised; and should Christians eat halal meat. Detailed appendices provide sample talks for Muslim audiences and offer seven specific ways to foster contact with the Muslim community. *The Gospel for Muslims* Thabiti Anyabwile, 2018-01-02. How to meet a critical need: sharing the gospel with Muslims. There are over three million Muslims living in the United States today. Soon if not already you will have Muslim neighbors and coworkers. Does the thought of reaching out to them with the gospel make you nervous? How can you effectively communicate the good news with such large theological differences? The Gospel for Muslims can help make sharing your faith easier than you think. Thabiti Anyabwile, who is himself a convert from Islam to Christianity, instructs you in ways to discuss the good news of Christ with your neighbors and friends. The Gospel for Muslims allows you to focus on the people rather than the religious system. Meant for the average Christian, it is not an exhaustive apologetic or comparative study of Christianity and Islam. Rather, it compellingly stirs confidence in the gospel, equipping you with the basics necessary to communicate clearly, boldly and winsomely. **Pilgrims of Christ on the Muslim Road** Paul-Gordon Chandler, 2008-10-03. Today's tensions between the Islamic East and Christian West run high. Here Paul Gordon Chandler presents fresh thinking in the area of Christian-Muslim relations, showing how Christ, whom Islam reveres as a Prophet and Christianity worships as the divine Messiah, can close the gap between the two religions. Historically, Christians have taken a confrontational or missionary approach toward Islam, leading many Muslims to identify Christianity with the cultural prejudices and hegemonic ambitions of Westerners. On the individual level, Christ followers within Islam have traditionally been encouraged by Christians to break away from their Muslim communities. Chandler boldly explores how these two major religions, which share much common heritage, can not only co-exist but also enrich each other. He illustrates his perspective with examples from the life of Syrian novelist Mazhar Mallouhi, widely read in the Middle East. Mallouhi, a self-identified Sufi Muslim follower of Christ, seeks to bridge the chasm of misunderstanding between Muslims and Christians through his novels. *Christian Presence and Witness in Relation to Muslim Neighbours* World Council of Churches.

Sub-unit for Dialogue with People of Living Faiths and Ideologies,1981 *Muslims and the Gospel* Roland E. Miller,2005

The author s five decades of personal experience leads him to conclude that it is possible to be a witness to the Gospel and be a friend to Muslims at the same time The author outlines key factors in the Muslim understanding of the Gospel examines some bridges and defines the art of sharing He concludes by assessing the possibilities of such a mission **Anabaptists**
