Christian Songs Celebrating Family:

Missional fatherhood as praxis to Christian families who grapple with father absence Fazel Ebrihiam Freeks, 2021-12-01

All human beings are made in the image of God and form part of God's creation. Families per se are valuable to God and they can be infused with God-given solutions biblically based to the challenges they are facing. One of these challenges is father absence and it is a devastated social ill in many communities. Even so, missional fatherhood can be a buffer against father absence, un-involvement of fathers and numerous family issues. Missional fathers are filled with a God-given mission aiming to instill a love for Christ in the hearts of their children. They are not only called but obliged to lead sacrificial lives for the sake of their families. Their hearts engage with their children on aspects in life that matters the most: Transforming their minds by the Word of God and serving God the Father is far-reaching. Missional fathers are not only disciple makers in their homes but also in their respective communities. This present-day notion is God's calling on every father to be part of the Gospel and God's holistic mission and is in response to Jesus's Great Commission to make disciples of all people, including families. All who decided and turn to the way of Jesus Christ form part of the mission that God had given the Son.

Frh Songs of Praise and Bible Verses Paraphrase Anthony L. Gordon Ph.D, 2023-02-09

FRH Songs of Praise and Bible Verses Paraphrase is a compilation of 52 original songs composed to the tunes of well-known songs and hymns in the Christian church and 52 originally paraphrased Bible verses in the context of family relational health. The work is designed to provide families with a repertoire of songs and hymns that inspire, encourage, and challenge them as they grapple with and even protest against the contemporary issues negatively impacting family relationships from a fundamental Bible-based perspective. These songs and hymns are timely and relevant because the available songs in the present church hymnals do not address most of the modern issues that have the family under attack. The Holy Bible is repeatedly and correctly referred to as God's Family Book but not every text or verse in it seems to speak directly and immediately to a specific family issue. Paraphrasing paralleling of selected Bible verses is done to achieve that goal of immediate application to some of the contemporary relational issues negatively affecting families. Supporting the songs and paraphrased Bible verses are four Appendices with Titbits, Suggestions, and Recommendations for the improvement of one's Private Prayer life and Marital Relationships. Included also is the innovative Family Seminar Sandwich Series: A Sandwich object lesson approach to conducting Family Relational Health Seminars. This book is the product of nearly forty years of working with families across the world and will bring more light and life to singing generally at Church and specifically at family gatherings at home, retreats, conventions, with all categories of the family: men, women, married, single, young, and the aged parents and children. Finding songs composed especially for them. In family morning or evening worship, one song and one paraphrased paralleled Bible verse can be learned for the 52 weeks of the year. The songs are presented in words only, seeing that the tunes are popularly known and the scores are already available in the public domain and in most hymnals.
