## **Christian Muslim Dialogue In Northern Nigeria:**

Christian-Muslim Dialogue in Northern Nigeria Thaddeus Byimui Umaru, 2013-08-14 Religion as a powerful impulse in human existence plays a paradoxical role in society as it both contributes significantly in shaping the spiritual socio political and economic lives of millions of people and also acts as a source of conflict The sad experience of interreligious conflict in Northern Nigeria challenges the claim of Islam and Christianity to be religions of peace However understood as closely intertwined with culture and custom of a people religion can be central in the establishment of peace and conflict resolution in and between communities This text using the model of dialogue Nostra Aetate explores and presents the socio political and theological resources available in Northern Nigeria the locality for a consistent peace building process Muslim-Christian Dialogue in Nigeria Victor Chukwulozie, 1986 **Muslim-Christian Dialogue in Post-Colonial Northern Nigeria** M. Iwuchukwu, 2013-10-02 Iwuchukwu examines the perennial conflicts in different parts of northern Nigeria and why they are popularly called Muslim Christian clashes Specifically he examines the immediate and remote factors that are responsible for the conflicts **Toward Christian-Muslim Dialogue and Peace-building Activities in Northern Nigeria** Thaddeus Byimui Umaru, 2013 Muslim and Christian Women in Dialogue Kathleen McGarvey, 2009 Observations about dialogue and about the theology of religions are common enough these days but they are rarely grounded in the analysis of a particular reality and are therefore of little help to practitioners This book on the other hand gives an exhaustive documentation of the background and the actual situation of Muslim Christian relations in Northern Nigeria before proceeding to proposals for understanding the contribution of women s discourse in the development of dialogue and to a feminist theology of religions Drawing from her empirical findings in Northern Nigeria as well as some feminist insights the author suggests an approach to other religions grounded in people s lived experience and a shared commitment to justice peace and transformed human relations Recognizing the limitations of some pluralist theories she suggests a feminist ethical approach to religious pluralism The practicality and feasibility of such an approach are shown as she elaborates on its possible application in the concrete context of Northern Nigeria Christian-Muslim Dialogue In Northern Nigeria Thaddeus Byimui Umaru, 2013-08 Religion as a powerful impulse in human existence plays a paradoxical role in society as it both contributes significantly in shaping the spiritual socio political and economic lives of millions of people and also acts as a source of conflict The sad experience of interreligious conflict in Northern Nigeria challenges the claim of Islam and Christianity to be religions of peace However understood as closely intertwined with culture and custom of a people religion can be central in the establishment of peace and conflict resolution in and between communities This text using the model of dialogue Nostra Aetate explores and presents the socio political and theological resources available in Northern Nigeria the locality for a consistent peace building process **Muslim-Christian Dialogue in Post-Colonial Northern Nigeria** M. **Interreligious Dialogue** Edmund Emeka Ezegbobelu, 2009 Originally presented as the author's thesis doctoral Univ Frankfurt Main 2009 *Reconciliation in Northern Nigeria* Oluniyi, Olufemi Olayinka, 2017-08-09 In this book Dr Olufemi

Oluniyi takes a fresh look at Muslim Christian violence which has become synonymous with the name of Northern Nigeria It is fresh in the sense that he takes a historical approach to the problem dating back to the founding of Northern Nigeria This approach inevitably brings to the fore the culpability of the colonial government for the institutionalisation of inequality and for pursuing policies which are tantamount to planting the seeds of religious violence for post independence fruitage and harvest By highlighting the role of the colonial administration he is by no means suggesting that post independence perpetrators of violence are less culpable for their crimes against humanity Rather the highlight is meant to raise awareness of what was really going on despite official cover up **Nigeria - Politics, Religion, Pentecostal-Charismatic Power**

**and Challenges** Akintayo Emmanuel, 2023-10-13 Nigeria presents an enthralling case study for understanding developing archetypes in interreligious encounters in Africa The global community needs a cultural understanding and sensitivity for productive engagement with the Arab and non Arab Muslim world The Nigeria religious exigencies provide a requisite intelligence into the challenges facing a global community seeking to foster peace Without a domain of tolerance love equity and justice Nigeria will continually be immured by pessimism parochialism cynicism and mutual suspicion Despite being the largest economy in Africa and the most populous Black country Nigeria demonstrates incessantly an uncommon fault line between Christianity and Islam The significance of this goes beyond the borders of Nigeria but has become a global showcase anywhere the two religions exist contemporaneously Nigeria is the nexus between west and central Africa Rooted in the dusty Sahel of the north the savannah plains the rich rainforests of the Atlantic coast the rocky hills of the West and the oil filled swamps of the Delta Nigeria is the beauty sound vision passion and the soul of the African continent In Nigeria the Nigeria Pentecostal Charismatic Movement possesses a distinctive flair that demands a holistic understanding of the movement's historical cultural fundamental and religious dimensions in a multifarious religious landscape The disquisition of the movement's political cognizance identity power authority theology popular culture ethics and missiological impact in northern Nigeria presents a fine embroidery of their trials frustrations and challenges but inveterate in faith hope and love that opens up innovative panoramas of peaceful dialogical prospects and coexistence between Christians and Muslims in northern Nigeria In Nigeria Politics Religion Pentecostal Charismatic Power and Challenges Akintayo Emmanuel reconnoiters the complex missiological hindrances challenging the Nigerian Pentecostal Charismatic Movement Their

contextual missional landslide disheveled with complicated paradoxes in the way the Christian majority have responded to Muslims in northern Nigeria is anatomized The Nigerian Pentecostal Charismatic Movement's puissance to solve some of Nigeria's political ideological cultural and spiritual dimensions of crisis and sectarian violence is achievable if the movement can mitigate her missiological hindrances The responses of Nigerian Pentecostal Charismatic Movement to Nigeria's socio political and ethno religious complexities can construct a great future for the soul of Nigeria They do not only have the capacity to provide the Christian alternatives to Nigeria's peculiarities they can also stimulate Nigeria's deification among other nations by continuing to disentangle from unscrupulousness and atrociousness embedded within a reproach and opprobrium to any people

**Nigeria and Shari'ah** Ghazali Basri, 1994 This text attempts to portray the degree of intensity of polemics at the height of the confrontation between the Muslim advocates of Shari'ah the canon law of Islam and the Christians who oppose it

*Christian Responses to Islam in Nigeria* A. *Christian-Muslim Relations in Nigeria* Isidore U. Nwanaju, 2008 This book is an intercultural study of Christian Muslim relationship in Nigeria spanning the pre and post Independence eras It seeks against the backdrop of the persistent crisis and conflicts to explore avenues for dialogue and harmonious interaction between adherents of the two most patronized albeit non indigenous religions in Nigeria Christianity and Islam The author examines the historical backgrounds of the country's ethnographic and sociopolitical configuration the origin nature and impact of each religion the positive as well as negative dimensions of the relations between Muslims and Christians under various epochs of Nigeria's political life The book concludes with theological overview and prescriptive advocacy on the pathway to inter religious peace and harmony in Nigeria

From Clash to Dialogue of Religions Casimir Chinedu O. Nzeh, 2002 September 11 2001 is now etched into the collective world consciousness as a watershed in the modern history of relationship between the world civilizations These civilizations are essentially rooted in religious faiths that are largely ignorant of each other and consequently mutually hostile Hopefully not too late the world has woken up to this awesome reality This work started by the author some years ago before September 11 2001 is appearing at a most auspicious time when Nigeria indeed is like the world stage in microcosm where the contradictions between faith and praxis in the relationship between these world religions are played out Using Nigeria as a case study the author painstakingly analyses the commonly shared areas of faith between Islam and the Christian Faith and carefully scrutinizes the background motives and characteristics of the friction points between the two religions The result of his research challenges both religions by exposing how much they have in

common to co exist peacefully and assure humanity that peace is inexorably bound up with religion It also underscores the Catholic Social Teaching with its principles values and norms for the foundation of a sound social Order and structure of social life     Creed & Grievance Abdul Raufu Mustapha,David Ehrhardt,2018 Analyses the complexities of Christian Muslim conflict that threatens the fragile democracy of Nigeria and the implications for global peace and security     **The Churches' Responsibility for Understanding Islam and the Muslims in Africa** Modupe Oduyoye,1995     Dialogue of Life Ignatius Kaigama,2006
