Two Hearts, One Christmas Tree, Farm and a Christmas Wish That Could Change Everything. Claire, I never planned on coming back to Frosty Hollow, and I definitely didn't plan on staying. As a divorced, high-powered attorney with two teenagers, my life in the city is fast-paced and predictable, which is exactly how I like it. But when I inherit my family's Christmas tree farm, I'm forced to return to the town I left behind. My only goal: sell the farm as quickly as possible and get back to my real life. But then there's Travis, rugged, stubborn, and way too charming for his own good. He's determined to keep the farm in the town's hands, and every time we clash, I find myself questioning why I'm so eager to leave. I came here for a clean break, but Frosty Hollow and Travis might just have other plans for me. Travis: This town, steeped in holiday traditions, saved me, and my kids, and the Christmas tree farm is at the heart of it. When Claire shows up ready to sell it off to the highest bidder, I know I have to stop her. The farm means everything to me, and the people here, and it's a legacy worth fighting for. But Claire isn't what I expected. Beneath her city girl exterior is a woman carrying the weight of loss and longing for someone who's forgotten how to slow down and enjoy life. I want to remind her of what she's been missing and show her she has a place here with me. This Christmas season, the magic of the farm might just bring us together if we can figure out how to turn our clashing dreams into a Christmas miracle. All books in the Christmas in Frosty Hollow series are standalone romances based in one Christmasy small town, with each book featuring one of the town's residents. You can read the books in the series out of order, but it's best to read the series in order as each of the books' characters make an appearance in previous books in the series.
