

# Church Outreach Plan

---

1. After reading this outreach plan, it would also be a good idea to read supplemental materials on outreach. There are several good books on outreach and service projects like; "Conspiracy of Kindness".
2. It would also be a good idea to talk with other churches to find out what's working and what's not.
3. The starting point is to understand your demographic/focus family. You might want to conduct demographic studies to find out what makes your focus families tick so that you can learn ways to meet their needs.
4. Next, you will need to brainstorm a list of every possible outreach event, community felt needs class, and service opportunity you can think of. You can develop three different lists (**events, classes/seminars, service opportunities**). Examples include:
  - a. Events (typically larger and more costly, but reaching far more people – often city wide events, but also includes community specific events). Examples of outreach events include:
    - Carnivals (e.g. moon bounces, kids programming, etc.)
    - Co-sponsor large community events (partnering with local civic organizations)
    - Free community skating party
    - Special 9/11 Memorial Service
    - Public servant recognition day (for police, fireman, etc)
    - Free concerts (series of summer evening concerts)
    - Vacation Bible School (or Backyard Vacation Bible School in numerous homes)
    - Neighborhood cookouts and pool parties
    - Community/neighborhood block parties
    - Family movie nights (free movies with popcorn and drinks)
    - Sporting tournaments (e.g. 3 on 3 basketball tournament, flag football league)
    - Special Christmas Eve service
    - Community New Year's Eve party
    - Fireworks on July 4th
    - Information meetings (free meal and presentation about new church)
    - Parent's night out (fun activities for kids at local school while parents go out)

These types of events will typically take more effort, coordination and money than service projects but they will reach more people. You should give strong consideration to doing a large event within one week prior to launch Sunday. In identifying events, you could consider researching local community/city and neighborhood association plans, looking for ways to partner/participate in events already planned by the community.
