The e-book is written for EFL (English as a Foreign Language) students who are too busy to take a course in travel English but who still want to learn English they need for world travel. The book focuses on topics, not grammar. Grammar patterns that are useful for conversation are taught, but the focus is on topics that are important for travelers, such as going through immigration and customs, checking into a hotel, ordering at a restaurant, changing money, getting help, taking public transportation, renting cars, and shopping. Each chapter includes a short and a long conversation. Students can easily practice changing words in the long conversations by changing underlined words. The book is designed for self-study with lots of exercises on vocabulary, new words and phrases, reading comprehension, and grammar patterns. You can easily check your answers with an answer key at
