

Battle Of The Bulge Hitlers Ardennes Offensive 1941945

Antony Beevor

Battle Of The Bulge Hitlers Ardennes Offensive 1941945:

Battle Of The Bulge Danny S. Parker,1991-10-21 On December 16 1944 Hitler launched his last desperate offensive of World War II It was his final great gamble and later became known as the Battle of the Bulge *Battle of the Bulge* Danny Parker,2004-12-01 First published in 1992 to rave reviews Danny Parker s *Battle of the Bulge* has since become the standard history of the battle praised by historians for its stirring narrative meticulous research and its wealth of new information and fresh interpretations Published now in a new edition including a photo section with fascinating then and now images of the Ardennes area battlefield this classic history of the Battle of the Bulge will be released to coincide with the 60th anniversary of the battle **The Ardennes, 1944-1945** Christer Bergström,2014-12-19 A comprehensive photo filled account of the six week long Battle of the Bulge when panzers slipped through the forest and took the Allies by surprise In December 1944 just as World War II appeared to be winding down Hitler shocked the world with a powerful German counteroffensive that cracked the center of the American front The attack came through the Ardennes the hilly and forested area in eastern Belgium and Luxembourg that the Allies had considered a quiet sector Instead for the second time in the war the Germans used it as a stealthy avenue of approach for their panzers Much of US First Army was overrun and thousands of prisoners were taken as the Germans forged a fifty mile bulge into the Allied front But in one small town Bastogne American paratroopers together with remnants of tank units offered dogged resistance Meanwhile the rest of Eisenhower s broad front strategy came to a halt as Patton from the south and Hodges from the north converged on the enemy incursion Yet it would take an epic six week long winter battle the bloodiest in the history of the US Army before the Germans were finally pushed back Christer Bergström has interviewed veterans gone through huge amounts of archive material and performed on the spot research in the area The result is a large amount of previously unpublished material and new findings including reevaluations of tank and personnel casualties and the most accurate picture yet of what really transpired from the perspectives of both sides With nearly four hundred photos numerous maps and thirty two superb color profiles of combat vehicles and aircraft it provides perhaps the most comprehensive look at the battle yet published The Wehrmacht's Last Stand Robert M. Citino,2020-07-09 By 1943 the war was lost and most German officers knew it Three quarters of a century later the question persists What kept the German army going in an increasingly hopeless situation Where some historians have found explanations in the power of Hitler or the role of ideology Robert M Citino the world s leading scholar on the subject posits a more straightforward solution Bewegungskrieg the way of war cultivated by the Germans over the course of history In this gripping account of German military campaigns during the final phase of World War II Citino charts the inevitable path by which Bewegungskrieg or a war of movement inexorably led to Nazi Germany s defeat The Wehrmacht s Last Stand analyzes the German Totenritt or death ride from January 1944 with simultaneous Allied offensives at Anzio and Ukraine until May 1945 the collapse of the Wehrmacht in the field and the Soviet storming of Berlin In clear and compelling prose and bringing

extensive reading of the German language literature to bear Citino focuses on the German view of these campaigns Often very different from the Allied perspective this approach allows for a more nuanced and far reaching understanding of the last battles of the Wehrmacht than any now available With Citino s previous volumes *Death of the Wehrmacht* and *The Wehrmacht Retreats* The Wehrmacht s Last Stand completes a uniquely comprehensive picture of the German army s strategy operations and performance against the Allies in World War II

Hitler's Last Gasp Trevor N. Dupuy, David L. Bongard, Richard C. Anderson (Jr.), Richard Claire Anderson, 1994-10-20 Chronicles the German attack in the Ardennes which caught the American forces off guard

Hitler's Last Gamble Trevor Nevitt Dupuy, David L. Bongard, Richard C. Anderson, 1994 This is the dramatic story of the last great battle of World War II in Europe that sealed Germany s defeat It is based on the most comprehensive collection of documents and provides detailed backgrounds on all senior American and German commanders

Hitler's Ardennes Offensive Danny S. Parker, 2016-08-23 In this gripping unusual volume insight into the Battle of the Bulge is told through firsthand accounts by German officers The battle a major German offensive caught the allied forces off guard in Belgium France and Luxembourg and lasting from December 1944 January 1945 had devastating consequences for both sides There were eighty nine thousand Americans casualties and between eighty thousand and one hundred thousand German ones It was the largest and bloodiest battle fought by the Americans during the war and yet in the end an allied victory There are Western accounts of the battle but very little has been told from the German perspective In *Hitler s Ardennes Offensive* acclaimed military historian Danny S Parker has compiled together accounts by German officials who reveal how they perceived the battle how they believe Adolf Hitler perceived it and what in their opinion went wrong The assessments featured include ones from Nazi leaders such as SS generals Josef Dietrich and SS Brigadier Fritz Kr mer and they are paired with nine rarely seen photographs and three maps The images include a photograph of Josef Dietrich taken by Eva Braun one of Adolf Hitler pouring over a map and one of SS grenadiers pausing to enjoy captured American cigarettes The maps show different parts of the German offensive The unique volume was created after Parker spent twenty five years studying World War II and conducting more than two hundred interviews on it Released ten years ago in a limited print run it is now shortly after the seventieth anniversary of the battle finally back in print Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

Ardennes 1944 Antony Beevor, 2015-11-03 Jacket subtitle The Battle of the Bulge

The Liberation Trilogy Box Set Rick Atkinson, 2013-10-22 The definitive chronicle of the Allied triumph in Europe during World War II Rick Atkinson s *Liberation Trilogy* is now

together in one ebook bundle From the War in North Africa to the Invasion of Normandy the Liberation Trilogy recounts the hard fought battles that led to Allied victory in World War II Pulitzer Prize winning and New York Times bestselling author Rick Atkinson brings great drama and exquisite detail to the retelling of these battles and gives life to a cast of characters from the Allied leaders to rifleman in combat His accomplishment is monumental the Liberation Trilogy is the most vividly told brilliantly researched World War II narrative to date WINNER OF THE PULITZER PRIZE AND NEW YORK TIMES BESTSELLER *Hitler Youth, 1922-1945* Jean-Denis G.G. Lepage,2009-03-23 During the Nazi regime s swift rise to power no single target of nazification took higher priority than Germany s young people Well aware that the Nazi party could thrive only through the support of future generations Hitler instituted a youth movement the Hitler Jugend Hitler Youth which indoctrinated the easily malleable students of Germany s schools and universities Along with its female counterpart the Bund deutscher Madel League of German Girls the Hitler Youth produced many thousands of young Germans who were deeply and fanatically imbued with the Nazi racist ideology This heavily illustrated book outlines the history and development of the Hitler Youth from its origins in 1922 until it was disbanded by the allied powers in 1945 The Western European and Mediterranean Theaters in World War II Donal Sexton,2011-10-06 The Western European and Mediterranean Theaters in World War II is a concise comprehensive guide for students teachers and history buffs of the Second World War With an emphasis on the American forces in these theaters each entry is accompanied by a brief annotation that will allow researchers to navigate through the vast amount of literature on the campaigns fought in these regions with ease Focusing on all aspects surrounding the U S involvement in the Western European and Mediterranean theaters including politics religion biography strategy intelligence and operations this bibliography will be a welcome addition to the collection of any academic or research library Routledge Research Guides to American Military Studies provide concise annotated bibliographies to the major areas and events in American military history With the inclusion of brief critical annotations after each entry the student and researcher can easily assess the utility of each bibliographic source and evaluate the abundance of resources available with ease and efficiency Comprehensive concise and current Routledge Research Guides to American Military Studies are an essential research tool for any historian Reader's Guide to Military History Charles Messenger,2013-10-31 This book contains some 600 entries on a range of topics from ancient Chinese warfare to late 20th century intervention operations Designed for a wide variety of users it encompasses general reviews of aspects of military organization and science as well as specific wars and conflicts The book examines naval and air warfare as well as significant individuals including commanders theorists and war leaders Each entry includes a listing of additional publications on the topic accompanied by an article discussing these publications with reference to their particular emphases strengths and limitations The Ardennes 1944-1945 Volume II Christer Bergström,2020-12-15 When Christer Bergström published the first English edition of his ground breaking mammoth work The Ardennes 1944 1945 Hitlers Winter Offensive in 2014 it hit

the World War II community with the impact of an earthquake Based upon tremendous research into primary sources and interviews with very many of the veterans this book turned the previous image of the Battle of the Bulge completely upside down Although tearing apart many myths that surrounded this battle it has hardly received any negative criticism with such scrutiny has the author treated the sources and source references This book has been called the new main reference work on the battle It still remains at the very edge of historical research on this epic battle Especially the veterans from the Battle of the Bulge have praised the work as completely outstanding The new Volume II deals with various turning points in the battle First the failure of SS Kampfgruppe Peiper the Allied Air Forces severing of the German supply lines around Christmas and Pattons counter offensive Next the bitter defeat sustained by Pattons Third U S Army in the tank battle at Bastogne and several other German victories in tank battles that have previously been covered up in history writing how the Luftwaffe actually gained air superiority and the German offensive restarted in January 1945 Although the bloody battles in January 1945 cost both sides higher losses per day than in December 1944 they have been neglected in previous history writing Here they are described in detail The reason why the Ardennes Offensive failed is discussed as are its quite significant repercussions

Hitler's Army Command,1996-03-21 An account of the development of the German forces under the Third Reich German organisation and tactics are examined in action at twelve key engagements from Czechoslovakia in 1938 to Berlin in 1945

Fighting with the Soviets Mark J. Conversino,1997 Conversino s story is as interesting as it is unfamiliar and succeeds in opening up Frantic s many dimensions including the personal as well as the political strategic and operational His revelations regarding the interactions between American servicemen and Ukrainian Russians are especially valuable and underscore the immense difficulties of implementing alliances at the grass roots level Dennis Showalter author of *Tannenberg Clash of Empires*

The Guns at Last Light Rick Atkinson,2013-05-14 1 NEW YORK TIMES BESTSELLER

The magnificent conclusion to Rick Atkinson s acclaimed Liberation Trilogy about the Allied triumph in Europe during World War II It is the twentieth century s unrivaled epic at a staggering price the United States and its allies liberated Europe and vanquished Hitler In the first two volumes of his bestselling Liberation Trilogy Rick Atkinson recounted how the American led coalition fought through North Africa and Italy to the threshold of victory Now in *The Guns at Last Light* he tells the most dramatic story of all the titanic battle for Western Europe D Day marked the commencement of the final campaign of the European war and Atkinson s riveting account of that bold gamble sets the pace for the masterly narrative that follows The brutal fight in Normandy the liberation of Paris the disaster that was Operation Market Garden the horrific Battle of the Bulge and finally the thrust to the heart of the Third Reich all these historic events and more come alive with a wealth of new material and a mesmerizing cast of characters Atkinson tells the tale from the perspective of participants at every level from presidents and generals to war weary lieutenants and terrified teenage riflemen When Germany at last surrenders we understand anew both the devastating cost of this global conflagration and the enormous effort required to win the Allied

victory With the stirring final volume of this monumental trilogy Atkinson's accomplishment is manifest He has produced the definitive chronicle of the war that unshackled a continent and preserved freedom in the West One of The Washington Post's Top 10 Books of the Year A Kirkus Reviews Best Nonfiction Book of 2013 **Corps Commanders of the Bulge** Harold R. Winton, 2007 Study of the Battle of the Bulge **Hitler's Last Offensive** Peter Elstob, 1971 **The Ardennes 1944-1945 Volume I** Christer Bergström, 2020-11-24 When Christer Bergström published the first English edition of his groundbreaking mammoth work *The Ardennes 1944 1945 Hitler's Winter Offensive* in 2014 it hit the World War II community with the impact of an earthquake Based upon tremendous research into primary sources and interviews with very many of the veterans this book turned the previous image of the Battle of the Bulge completely upside down Although tearing apart many myths that surrounded this battle it has hardly received any negative criticism with such scrutiny has the author treated the sources and source references This book has been called the new main reference work on the battle It still remains at the very edge of historical research on this epic battle Especially the veterans from the Battle of the Bulge have praised the work as completely outstanding This new Volume I deals with the background of and the build up for the offensive the surprising German strike and the tremendous and previously overlooked German successes during the first period of the offensive The previously covered up German successes and American failures are presented and detailed and carefully analyzed [The Battle of the Bulge 1944](#) Robin Cross, 2012-07-18 In December 1944 the German Army launched an attack through the Ardennes Forest in Belgium hoping to force the Western Allies to agree a peace settlement The Battle of the Bulge is a comprehensive history of Hitler's last offensive in the West the failure of which undoubtedly hastened the end of World War II
