After decades of imperfect secularism presided over by an often corrupt Congress establishment Nehru s diverse republic has yielded to Hindu nationalism India the first major democracy to fall to demagogic populism in the twenty first century is racing to a point of no return Since 2014 the ruling BJP has unleashed forces that are irreversibly transforming the country Indian democracy honed over decades is now the chief enabler of Hindu extremism Bigotry has been ennobled as a healthy form of self assertion Anti Muslim vitriol has deluged the mainstream Religious minorities live in terror of a vengeful majority Congress now mimics Modi other parties pray for a miracle In this highly acclaimed critique of post Independence India from Nehru to Narendra Modi revised and expanded with a new chapter K S Komireddi charts the dismaying course of the world s largest democracy He argues that the missteps of the nation s founders the mistakes of Nehru the betrayals of his daughter and her sons the anti democratic fetish for technocracy carried to extremes by Manmohan Singh all of them prepared the way for Modi s march to absolute power If secularists fail to wrest the republic from Hindu supremacists Komireddi argues
