4 pages | 935 words

Establish qualifications. Note your authority on the subject. Establish a common ground. "I have your best interests in mind, etc" Helps the audience believe your argument. Demonstrate fairness. Acknowledge opposing ideas without disagreeing. Note the introductions. Include at least one of the above. Following must be used. Announcement of subject. (problem your essay addresses)

General topic (area within subject) Specific topic (issue related to general topic) Thesis statement- last sentence of introduction. Thesis statement is- Your personal definition, what you are defining, what you think the subject is, why you think that. Background One paragraph. Format- Formal definition, description, differences. ONLY include the most relevant. Topic sentence (Chopping mall is a film made in 1986) Descriptions- (explain that definition in detail) film, robots/lasers, mall, etc Limited Info directly related to the formal definition and your definition. Exclude and that doesn't. Beneficial- info that supports/agrees with your position. Lines of argument Normal body essay, standard paragraph structure, three paragraphs. Supports your position. Reasons for your definition, different modes, one mode and key feature per LOA. Explanations Your explanations, ideas, words. How examples supports your definition. Uses mode-based evidence. Explain for explanation. People, places, events for narrative. Etc. Majority of paragraph. Rebuttal-

One paragraph Two different possibilities. 1. Introduce opposing argument Formal/another definition Explain why that position is wrong, why your position is better Why your definition is distinct from the other

Or 2. Predict opposition to your argument. Why they think you are wrong Explain why that opposition is wrong, unnecessary, etc Conclusion One paragraph Restate thesis Summarize your argument. Thesis statement, background, lines of argument, rebuttal, conclusion Classical argument structure = outline

Intro (one paragraph) announcement of subject, topic (general) and topic (specific) your definition (thesis) Background (one paragraph) formal definition and description, difference between formal and personal Lines of argument (three paragraphs) same feature per paragraph, different mode per paragraph, explain. Rebuttal (one paragraph) their definition/opposition and why it's wrong Conclusion- restate main ideas of argument.

Planning for argument- set up structure, fill in details.

Definition Prewriting Name: Olivia Newton Main Idea and Thesis Statement (Do not proceed to any other portion of this assignment until you have completed this entire section) Subject – Leadership

Claim – (Leadership is about) It is important not to overlook the true meaning of leadership or what leadership is about Controlling Idea – Leadership is about having people stand with you rather than be intimidated to follow you. Tentative Thesis Statement – Leadership is not about pressuring people to follow you, but about encouraging others to stand with you.

Background Paragraph Formal definition – The dictionary describes leadership as "the state of being in a leadership role." Explain formal definition – Rather than describing the traits of good leadership, the definition for leadership has become a stereotypical position that literally anybody could fill. Anybody could fill a leadership role, but not everyone should. Distinguish your definition from formal – Anyone can be a leader according to the definition, but true leadership is made an example...

Whether English, ESL, history, or even science, all teachers requiring students submitting reports of any sort can benefit from the tips and data presented in *Critical Writing in the Secondary Classroom*. Within these pages lies explanations of the importance of summative assessment beyond just formative assessment in the classroom, comparing benchmark data in order to measure skill growth and how to share this data with students. Parents as well can benefit from learning how their children would be assessed in their writing and understanding the concepts that lie at the heart of the teacher's grading scale. New to this edition, teachers can learn how to analyze the data of their students' writings without the use of EdTech, and for free. About the Author: Joseph Burke has taught in public education since 1995 within different districts in the states of Utah, Arizona, and California, mostly ELA at the high school level. He belongs to the professional associations National Council of Teachers of English and the National Education Association. Burke holds his BA from Brigham Young University and his graduate degree from Northern Arizona University. He is married with two children and currently resides in Utah. **Writing Arguments** Allyn & Bacon, Incorporated, 2000-07 Symbolic and Quantitative Approaches to Reasoning with Uncertainty Linda C. van der Gaag, 2013-07-04 This book constitutes the refereed proceedings of the 12th European Conference on Symbolic and Quantitative Approaches to Reasoning with Uncertainty (ECSQARU 2013) held in Utrecht, The Netherlands, in July 2013.
