*Die Empty* Todd Henry, 2013-09-26 Most of us live with the stubborn idea that we'll always have tomorrow But sooner or later all of our tomorrows will run out Each day that you postpone the hard work and succumb to the clutter that chokes creativity discipline and innovation will result in a net deficit to the world to your company and to yourself *Die Empty* is a tool for individuals and companies that aren't willing to put off their best work Todd Henry explains the forces that keep people in stagnation and introduces a three part process for tapping into your passion Excavate Find the bedrock of your work to discover what drives you Cultivate Learn how to develop the curiosity humility and persistence that save you from getting stuck in ruts Resonate Learn how your unique brilliance can inspire others Henry shows how to find and sustain your passion and curiosity even in tough times

*Branding with Powerful Stories* Greg Stone, 2018-12-07 Whether you are branding your company your product your service or yourself learn to boost the power of your story and convey a compelling message in any setting by incorporating villains victims and heroes Compelling stories exalt motivate and acculturate every worker in an enterprise They also attract customers and media alike Imagine an elderly man snowed in unable to shop for groceries until a supermarket comes to the rescue and delivers his food The story of this company going out of its way to help a customer in need will resonate not only with consumers but also with employees This book explains not just how to tell a captivating story but also what elements namely villains victims and heroes it should include in the first place This approach is based on the notion that in business messaging the villains may just be your best friends The villains are simply any problems that cause pain discomfort or extra expense for customers who are in effect the victims As for the heroes they are best illustrated by the supermarket going beyond expectations Who in business wouldn't want to emulate that company If your products and services offer real solutions to customers predicaments there is nothing more powerful than communicating that message and making sure your potential customers remember it

**Hannibal and Me** Andreas Kluth, 2012-01-05 A dynamic and exciting way to understand success and failure through the life of Hannibal one of history's greatest generals The life of Hannibal the Carthaginian general who crossed the Alps with his army in 218 B C E is the stuff of legend And the epic choices he and his opponents made on the battlefield and elsewhere in life offer lessons about responding to our victories and our defeats that are as relevant today as they were more than 2 000 years ago A big new idea book inspired by ancient history *Hannibal and Me* explores the truths behind triumph and disaster in our lives by examining the decisions made by Hannibal and others including Albert Einstein Eleanor Roosevelt Steve Jobs Ernest Shackleton and Paul C zanne men and women who learned from their mistakes By showing why some people overcome failure and others succumb to it and why some fall victim to success while others thrive on it *Hannibal and Me* demonstrates how to recognize the seeds of success within our own failures and the threats of failure hidden in our successes The result is a page turning adventure tale a compelling human drama and an insightful guide to understanding behavior This is essential reading for anyone who seeks to

transform misfortune into success at work at home and in life      **Personality Isn't Permanent** Benjamin Hardy,2020-06-16  
Psychologist and bestselling author Benjamin Hardy PhD debunks the pervasive myths about personality that prevent us from learning and provides bold strategies for personal transformation In *Personality Isn't Permanent* Dr Benjamin Hardy draws on psychological research to demolish the popular misconception that personality a person's consistent attitudes and behaviors is innate and unchanging Hardy liberates us from the limiting belief that our true selves are to be discovered and shows how we can intentionally create our desired selves and achieve amazing goals instead He offers practical science based advice to for personal reinvention including Why personality tests such as Myers Briggs and Enneagram are not only psychologically destructive but are no more scientific than horoscopes Why you should never be the former anything because defining yourself by your past successes is just as damaging to growth as being haunted by past failures How to design your current identity based on your desired future self and make decisions here and now through your new identity How to reframe traumatic and painful experiences into a fresh narrative supporting your future success How to become confident enough to define your own life's purpose How to create a network of empathetic witnesses who actively encourage you through the highs and lows of extreme growth How to enhance your subconscious to overcome addictions and limiting patterns How redesign your environment to pull you toward your future rather than keep you stuck in the past How to tap into what psychologists call pull motivation by narrowing your focus on a single definable and compelling outcome The book includes true stories of intentional self transformation such as Vanessa O'Brien who quit her corporate job and set the Guinness World Record for a woman climbing the highest peak on every continent in the fastest time Andre Norman who became a Harvard fellow after serving a fourteen year prison sentence Ken Arlen who instantly quit smoking by changing his identity narrative and Hardy himself who transcended his childhood in a broken home surrounded by issues of addiction and mental illness to earn his PhD and build a happy family Filled with strategies for reframing your past and designing your future *Personality Isn't Permanent* is a guide to breaking free from the past and becoming the person you want to be
