Clean A Mindspace Investigations Novel:

Clean Alex Hughes,2012-09-04 A RUTHLESS KILLER OUT OF SIGHT OUT OF MIND I used to work for the Telepaths Guild before they kicked me out for a drug habit that wasn't entirely my fault Now I work for the cops helping Homicide Detective Isabella Cherabino put killers behind bars My ability to get inside the twisted minds of suspects makes me the best interrogator in the department But the normals keep me on a short leash When the Tech Wars ripped the world apart the Guild stepped up to save it But they had to get scary to do it real scary Now the cops don't trust the telepaths the Guild doesn't trust me a serial killer is stalking the city and I'm aching for a fix But I need to solve this case Fast I've just had a vision of the future I'm the next to die

Vacant Alex Hughes,2014-12-02 Nothing ruins a romantic evening like a brawl with lowlifes especially when one of them later turns up dead and my date Detective Isabella Cherabino is the 1 suspect My history with the Atlanta PD on both sides of the law makes me an unreliable witness so while Cherabino is suspended I'm paying my bills by taking an FBI gig I've been hired to play telepathic bodyguard for Tommy the ten year old son of a superior court judge in Savannah presiding over the murder trial of a mob connected mogul After an attempt on the kid's life the Feds believe he's been targeted by the businessman's associates Turns out Tommy's a nascent telepath so I'm trying to help him get a handle on his Ability But it doesn't take a mind reader to see that there's something going on with this kid's parents that's stressing him out more than a death threat

Marked Alex Hughes,2014-04-01 FORESEE NO EVIL Freelancing for the Atlanta PD isn't exactly a secure career my job's been on the line almost as much as my life But it's a paycheck and it keeps me from falling back into the drug habit Plus things are looking up with my sometimes partner Cherabino even if she is still simmering over the telepathic Link I created by accident When my ex Kara shows up begging for my help I find myself heading to the last place I ever expected to set foot in again Guild headquarters to investigate the death of her uncle Joining that group was a bad idea the first time Going back when I'm unwanted is downright dangerous Luckily the Guild needs me more than they're willing to admit Kara's uncle was acting strange before he died crazy strange In fact his madness seems to be slowly spreading through the Guild And when an army of powerful telepaths loses their marbles suddenly it's a game of life or death
