Thomas, 2014-08-21 Battle Beyond Earth Resurrection The first instalment in an epic new series that tells of humanity's desperate struggle to survive in an uncertain and war-torn future Four centuries have passed since the end of the alien invasion that almost destroyed humanity The surviving races human and alien now live in peace as allies But when a terrifying new enemy cuts a path of destruction through the Alliance there seems little hope of resistance The situation is desperate and desperate measures are required With reluctance they agree to resurrect a hero from the past Colonel Mitch Taylor A mortally wounded man held in suspended animation since the end of the last war A man who may hold the only key to their survival Taylor emerges into a world he no longer recognises A new alien race lives among them a race he does not trust Society the Marine Corps even the way he speaks nothing fits this new life Many in the Alliance refuse to accept him for Taylor is an icon of a bygone era Respected by some hated by many Isolated alone regarded as little more than a relic of a past era he must accept the horror of knowing his old life is gone He must also overcome the new enemy that stands before him an enemy that wants nothing more than to destroy all known life in the universe Battle Beyond Earth is a futuristic sci-fi action adventure a standalone story in its own right Yet it will also give a new perspective and a new storyline to the readers who followed Mitch Taylor's exploits in the epic series Battle Earth **Battle Beyond Earth** Thomas Nick S.
