

5 Key Elements of **Cash Handling Management**

1

Stewardship: Retail managers, cashiers, and any other employees are the stewards of the business.

2

Accountability: Anyone who handles cash is responsible for following procedures, upholding security, and acting with discretion.

3

Physical security: Cash counting must be done in secure areas away from the public. Safety deposit box combinations with complex access codes.

4

Segregation of duties: Different team members responsible for different cash management tasks bring transparency to procedures without jeopardizing security.

5

Reconciliation: Confirming the amounts of cash counted and transferred and documenting this process will quickly highlight any mismatches and reduce the window of opportunity in which cash may have gone missing.
