with confidence The Spanish Remnant Peter Pinyol,2016-06-04 Remnant is a word that defines a small group of people that were dissidents of the established church but wanted to be faithful to the Word of God although that would cost their own lives Christian remnants in history were the direct result of the reading of the Word of God The translation of the Bible in the vernacular language produced a revival among believers that through the reading of the eternal book wanted to follow its teachings and precepts This book deals with the history of those Christians in Spain that found in the Word of God their faith and trust It explains what a remnant is which remnants were present in Spain how they were persecuted and the most important how they survived in the midst of persecution *Nehemias* Alfonso Rojas,2024-09-10 La presente obra es el fruto del esfuerzo de dos editoriales Un Comentario del libro de Nehemias con fuerte nfasis en el liderazgo y abundantes consejos prcticos y espirituales para el lder Un libro que desafía a que lleva profundo que amplía la visión y que no oculta los precios del liderazgo Una obra para crecer Hellenic Roots of Justice and Inequality and a Jewish Ideological Alternative in Economic Science David Vázquez-Guzmán,2023-05-12 This book explores the philosophical foundations of what we today understand as justice Here we understand the present tendency in the world to see everything as a class struggle yet the lack of effectiveness of that view in social arrangements and for that a renewed Jewish perspective is offered instead The book argues that the classical understanding of equality as justice is tainted by an anti Semitic portrayal of richness which is completely rejected here From an economic methodology perspective it discusses how our present Hellenic view of equality does not do much to help those in need and proposes a new mechanism of poverty alleviation based on generalized responsibility to help vulnerable neighbors such as orphans widows aliens the elderly the sick and the oppressed then putting the ordinary citizen at the center of social responsibility **Subject Guide to Books in Print** ,1997 **Subject Guide to Children's Books in Print 1997** Bowker Editorial Staff,R R Bowker Publishing,1996-09 The Publishers' Trade List Annual ,1985 *Las Heroínas De La Biblia* Juan D.
