Competent Communicator (CC)

The Competent Communication manual, which has 10 speech projects, is the first step in the communication track. It helps develop your speaking skills one step at a time. Every project builds upon what you learned in the preceding project. As you prepare and present each project speech you'll learn the importance of organization, how to use body language and voice to convey your message, select the right words and use visual aids. You also learn how to speak persuasively and inspire others. An evaluator will give your feedback on each speech you present and help you to improve. When you complete this manual you are eligible for Competent Communicator (CC) recognition. Complete the CC application in the manual and ask your vice president education to submit it online to World Headquarters. You'll receive a CC Certificate and, if this is your first CC award, two Advanced Communication manuals free of charge.

The 10 projects in the Competent Communication manual are:

1. The Ice Breaker
2. Organize Your Speech
3. Get to the Point
4. How to Say It
5. Your Body Speaks
6. Vocal Variety
7. Research Your Topic
8. Get Comfortable with Visual Aids
9. Persuade with Power
10. Inspire Your Audience
