CompTIA Project Examfocus Study Notes Review Questions 2015 Edition:

CompTIA Project+ Examfocus Study Notes & Review Questions 2015 Examreview,2014-12-15 CompTIA's Project is a foundation level professional exam on project management. It serves well as a first step towards the more advanced Project Management Professional PMP certifications. The exam covers topics such as project planning, execution, delivery, change control, communication, and closure. This is NOT an IT cert but a business one. We give you knowledge information relevant to the exam specification. To be able to succeed in the real exam you'll need to apply your earned knowledge to the question scenarios. This ExamFOCUS book focuses on the more difficult topics that will likely make a difference in exam results. The book is NOT intended to guide you through every single official topic. You should therefore use this book together with other reference books for the best possible preparation outcome.

CompTIA Project+ Certification Exam ExamFOCUS Study Notes and Review Questions 2012 ExamREVIEW,2012-03-08 CompTIA's Project is a foundation level professional exam of project management. It serves well as a first step towards the more advanced Project Management Professional PMP certifications. The exam covers topics such as project planning, execution, delivery, change control, communication, and closure. The CompTIA exam is computer based, no need for paper and pencil at all. It has multiple choice questions only. Topics that have to be dealt with in the exam include Pre Project Setup, Initiating Project Planning, Project Execution and Delivery, Change Control, and Communication, Project Closure. We give you knowledge information relevant to the exam specification. To be able to succeed in the real exam you'll need to apply your earned knowledge to the question scenarios. Many of the exam questions are written to be less straight forward. They tend to be framed within the context of short scenarios. The exam is not too difficult. However, coverage is very comprehensive; a wide range of topics are presented in the official topic list. The exam does not ask you to answer hundreds of questions. In other words, only a small fraction of the official topics will be presented. To succeed in the exam you need to read as many reference books as possible. There is no single book that can cover everything. This ExamFOCUS book focuses on the more difficult topics that will likely make a difference in exam results. The book is NOT intended to guide you through every single official topic. You should therefore use this book together with other reference books for the best possible preparation outcome.
