

Case Summary Log Books

Reading Comprehension Booklet to accompany:

The Case of the Gasping Garbage by Michele Torrey

This resource is meant to be a quick summary booklet to accompany the chapters in The Case of the Gasping Garbage. Students can name each case and write a summary including how Doyle and Fossey learned of the case, what happened, and how they were paid for the case. Students can treat this booklet like a real science detective case log book!

Teacher prep: Print back to back, staple, and cut it half. There are enough pages for each science investigation in the book (the gasping garbage, Frog Hollow, the stuck truck, and the love letter—every 2 chapters).

Print Credit: Kimberly Geweiss
